

Dal battles for Lobster Trap

The annual game for the Lobster Trap between the St. Mary's Huskies and Dal Tigers will be played this coming Saturday at 1:30 p.m., October 16 at St. Mary's Stadium. This will be the Tigers toughest game of the season as the Huskies are currently the only undefeated team in the Conference. The Dal Tigers, after a disappointing loss to the Mount Allison Mounties will be hard pressed to come up with a strong performance against the tough Huskies.

Mike Riley, a former Huskie will be facing his former teammates for the first time this season. Riley since coming to Dal, has done an outstanding job on both offense and defense. Riley, consistently throughout the season, has played great defense. He has been hitting both quarterbacks and running backs. This game with the Huskies is extremely important to Riley; a game he wants to play well in.

Game time Saturday is 1:30 at St. Mary's Stadium.

These men represented Dalhousie during the 1909-1910 football era, the players may dress differently today, but the game is much the same. Dalhousie meets Saint Mary's this weekend.

Dal hockey

by Greg Zed

The Dalhousie Varsity Hockey team will begin their exhibition trail this evening when they tangle with the Coles Harbor Junior club. For the Tigers, it will give the club its first test as a team just to "see what the boys play like". If one thing is missing thus far in the team's development, it would have to be conditioning, however, the club has paid additional time in that area. The success of the conditioning won't be readily evident but Tiger mentor Pierre Page suggests, "that we will win at least three additional games because of our condition". This refers to the seven games that the Tigers lost last year, all of which were lost in the closing minutes of the games.

This weekend the Dal squad will travel to Fredericton for their first Intercollegiate test when they play a two game series with U.N.B. Red Devils. The first encounter will take place at 7:30 Friday, at the newly opened Aitken Centre, whereas the same two clubs will square off Saturday afternoon at 2:00 in the Aitken Centre.

For the Dalhousie fans the Tigers won't be at home until October 23rd and 24th, when they hold an invitational tournament. The two day tourney will feature Laval University from Quebec City as well as Brandon University and Acadia Axemen. To add to the two day affair, the visitors will offer some

local flair. Ex-Dal star Pierre Gagne will be coaching Acadia, whereas Brandon's reins will be handled by St. Francis Xavier's ex-captain and high scoring centre, Trevor Fahey. To top it off Dal's coach Pierre Page

played with both of these players during his college career. This bit of flair will undoubtedly add to this exciting tournament. For tickets and information, contact the Equipment Control Centre.

SMU wins

After the recent off-the-field exchanges between St. Mary's and Dal the result of this game certainly rubbed salt in the proverbial wound. The game seemed to find so many players off form for Dal and Tony Richards' 4-3-3 formation rarely had the punch up-front to crack the visitors defence.

Indeed, it was left to the defence and mid-field to come up with the goals. After 24 minutes Dal took the lead when Moss scored from a free kick on the edge of the penalty area after Coleman had rolled the ball to him.

Earlier St. Mary's had almost taken the lead when a short backpass by Houlston almost let in Sigirik. With the defence flat-footed, Sigirik equalized for St. Mary's his shot deflecting in off the post. Willett made several saves as St. Mary's pressed for the lead, most notable was a full length continued on page 16

IF YOU CARE ABOUT THE COMPANY YOU KEEP ...THINK ABOUT A CAREER WITH XEROX OF CANADA

We're planning to visit your campus at least twice.

We invite you to attend a Briefing Session which will:

- provide you with information about Xerox of Canada Limited and the careers we offer
- give you the opportunity
 - first, to ask, and receive answers to, any and all questions you may have
 - second, to decide whether or not your future might be with us.

At a later date, we'll return for individual On-Campus Interviews.

Plan to join us! We look forward to meeting you.

The Xerox of Canada people are coming to campus and your Placement Office has full details.
