

New Regional Headquarters for Peel!

BUILT TO PROVIDE MORE EFFICIENT SERVICE
TODAY ... AND FOR TOMORROW

Welcome to our New WEST CENTRAL DISTRICT Headquarters.

This is the centre of all our operations to serve the residents and Industry of Peel, more efficiently. Here we have set our Sales Area, to show our products in their usual settings, like a backyard for barbecues, or the two Kitchen settings to show our appliances in their natural setting.

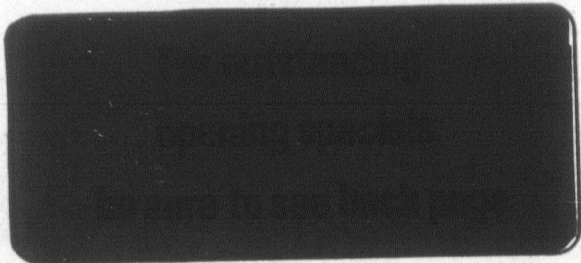

Customer account queries and bill payments are made more convenient and we have streamlined our call system to handle your service calls, quickly and efficiently.

Our Blue Flame Room is a joy to behold. Community Groups will be able to have their meetings and shows, in a modern and colourful room. This service is free to community groups and all it takes is a call to Kathy Hoondert.

BLUE FLAME ROOM

As in all areas we have a Blue Flame Room for local groups to hold meetings and other cultural activities. No charge is made for this service and it is on a First Come basis. Just call
