

6th May

Rev. & Sir.

353

I have the honour to inform you that Mr School Inspector Macrae, in a recent Report on the Indian School conducted under the auspices of your Society on James Seemins' Reserve at Goodfish Lake, N.W.T. points out the following defects to which I desire to draw your attention with a view to the same being remedied...

Examination

The work has been a good deal of the parrot order.

Stationery

Very little can be expected from a Teacher
