Ottawa, 4th December, 1919.

Sir:-

With regard to your letter of the 25th November, with which you forwarded a communication from Agent Schmidt in regard to voucher No. B056 for \$10.00 in favour of Mr. Jones the instructor on James Smith Reserve; I beg to say that a cheque for \$7.00 has been forwarded in Mr. Jones' favour in settlement of the voucher in question, which voucher has been paid less the charge for gasoline, oil and repairs. Mr. Schmidt was told that it is not usual for the Department to make payment for repairs such as referred to on behalf of farming instructors and that a departure from the general rule cannot be made in this case. He was asked to explain the matter to Mr. Jones.
