

A. Yes.

Q. What is the width of that lot that you are occupying?

A. I couldn't say, I think about four chains.

Q. Now what buildings have you on that lot Mr. Sinclair?

A. Well there is two buildings on it now.

Q. Well the first one, we will call that the new building. What size is it?

A. It is 18 by 20.

Q. And the other building is what size?

A. About the same

Q. Who owns those buildings?

A. Well my son.

Q. You some owns them? A. Yes.

Q. And his name would be William Sinclair, junior? A. Yes.

Q. What do you calue those buildings at, Mr. Sinclair?

Take the new one, what is it worth?

A. If I had my figures here Imcould give you what it cost, it cost me over \$200.00 anyway.

Q. Did you do any work on that as well yourself?

A. On which?

Q. On the new building? A. Yes.

Q. It cost you over \$200.00 that paid for all the labor and material and everything?

A. No, not counting my own labor.

Q. What would you value your labor at?

A. \$50.00 I guess.

Q. Now the old building, what do you think that is worth?

A. I couldn't say what it is worth, it is pretty old now.

Q. What value would you put on it?

A. The material that is on it is about over \$150.00 anyway.

Q. Is the old one worth as much as the new one?

A. Not quite but there is quite a good deal of work was put on it in the way of

Q. What other buildings are there?

A. Store house.
