THE Directors of the above Company have not spared anything in the building of this new Horse Exchange. The stables which are built of cement and brick, will stall between 200 and 300 head of horses, and are considered by judges who have seen them, to be the most sanitary they have yet seen. We have sold on an average of 100 horses per week since the opening of this great Horse Market, and now that the success of the Horse business is assured, we are in a position to handle
