

**TORONTO BUILDING BY-LAW.**

All architects, builders, tradesmen, and other citizens who contemplate erecting, altering or adding to any building within the limits of the city of Toronto, are requested to observe the provisions of the City By-Law in that behalf, which provides that plans and specifications must be submitted to the Department of Assessment and Property for approval and permit prior to the inception of any such work.

The observance of these regulations will materially assist the Department in the proper and effective administration of the Building By-law, and will also save a deal of inconvenience and possibly heavy expense to those whose neglect of such constitutes a contravention of By-law No. 2468.

The Imperial Construction Company, Limited, has been incorporated by the Dominion Government to carry on the business of general contractors, with head office in Toronto and a capital stock of \$199,000.
