

Awaken The Liver

AND YOU REMOVE THE CAUSE OF
INDIGESTION, BILIOUSNESS
AND CONSTIPATION.

DR. CHASE'S KIDNEY-LIVER PILLS.

The liver, when in health, filters bile from the blood, where it is poison, and pours it into the intestines, where it is necessary to digestion and a proper working of the bowels.

Once the liver becomes torpid and sluggish in action the "bile poison" is left in the blood, where it causes biliousness, jaundice, indigestion and headache.

The tongue is coated.

The breath bad.

The stomach sour.

The complexion muddy.

The bowels irregular.

The kidneys clogged.

Besides the pains and aches consequent on the poisoned condition of the system, there is the greatest danger from such diseases as Bright's disease and appendicitis.

Dr. Chase's Kidney-Liver Pills thoroughly cleanse the kidneys, liver and bowels, and by their direct action on the liver cause a healthful flow of new bile to aid digestion and ensure the natural and healthful action of the bowels.

There is no means known by which indigestion, biliousness and constipation can be so promptly and thoroughly cured as by Dr. Chase's Kidney-Liver Pills.

John Jacob Astor, at a dinner in Philadelphia, talked about Niagara.

"Every one who goes to Niagara," he said, "hears some absurd, ridiculous, and inept remark there. You stand and gaze at the Falls, profoundly moved, unspeakably impressed, and then, all of a sudden, something fatuous is said, and the effect of all that grandeur is dissipated forever."

"Who, since the Falls were discovered, has been allowed in peace to drink in their superb beauty? Not I, for one."

"The day I first saw Niagara a man touched my arm as I looked up at those white waters. I turned to the man. He had the silly and vacuous smile of the confirmed joker."

"It seems a shame," he said, "to see all this going to waste."

"What are you?" said I. "An electrical engineer?"

"No," he answered. "A milkman."

THERE IS NOW A MASS OF PROOF

That Lumbago is Always Cured
by Dodd's Kidney Pills.

Quebec Man Cured His Kidneys with
Dodd's Kidney Pills, and His Lumbago
Vanished.

Quebec, P. Q., May 22nd.—(Special).—John Ball, a bricklayer, residing at 57 Little Champlain Street, this city, has added his statement to the great mass of proof that Lumbago is caused by disordered kidneys, and consequently easily cured by Dodd's Kidney Pills. Mr. Ball says:

"I was troubled with Lumbago for two years. I could not work. I had to get up at nights to urinate so often that my rest was broken. I read of cures by Dodd's Kidney Pills, and made up my mind to try them. After the first box I could see and feel a change. Three boxes cured me completely."

Lumbago, like Rheumatism, is caused by uric acid in the blood. Uric acid can not stay in the blood if the kidneys are working right. Dodd's Kidney Pills make the kidneys work right.

QUESTIONS AND ANSWERS. Veterinary.

CHRONIC COUGH AND ECZEMA.

Horse coughs and bites and rubs himself as though he had some skin disease. Would bots cause the biting? A. D. P.

Ans.—For the chronic cough, give a ball every morning composed of 2 drams solid extract of belladonna, 1½ drams powdered opium, 1 dram camphor, and 20 grains digitalis, with sufficient treacle to make plastic. For the eczema, clip him, and if he has not shed his coat, wash thoroughly with warm, strong soft soap suds, applied with a scrubbing brush, and then dress twice daily with corrosive sublimate, 40 grains; water, 1 quart. V.

UTERINE DISCHARGE.

Aged mare had inflammation of the womb four years ago, and this was followed by leucorrhœa, but there has been no sign of this disease for two years. There is now a discharge of blood when she lies down, but at no other time. J. S.

Ans.—The blood evidently comes from the womb, else it would be noticed during urination. Inject the womb once daily with 1 quart water at 100 degrees Fahr., in which is dissolved ½ ounce powdered alum and ½ ounce carbolic acid. This can be introduced into the womb with a rubber syringe with a tube sufficiently long to reach and pass through the neck of the womb. Give, internally, twice daily 1 ounce tincture of iron in a pint of cold water as a drench, until blood ceases to pass. If she becomes constipated, give 1 pint raw linseed oil. V.
