Protection—Savings—Investment

"3 in 1." All the three features of savings, protection and investment are combined in the participating endowment policies issued by The Mutual Life of Canada.

Savings. Many who would save little or nothing under any other system have succeeded with the help of an endowment policy in securing "the first thousand."

Investment. No other security is more safe than a Mutual Life endowment policy and as to profit these policies return from \$120 to \$210 for every hundred invested in them, in addition to the protection afforded.

Protection. In addition to the savings and investment features, the home of the policyholder is absolutely protected throughout the endowment term for the amount of the contract—which is therefore the best security a man can hold.

Two Ways of Saving Money

which is the better?

A wage-earner placed \$20 in the Savings Bank, intending his deposit to be the first of many. He died—and his widow received the \$20.

A fellow wage-earner also deposited \$20—but in Life Insurance. He died, and his widow received \$1,000.

Life Insurance offers the one sure way of providing for dependent ones. The Great-West Life Policies provide such Insurance on most attractive terms. You owe it to your family and to yourself to make enquiries.
