**Dominion Limited**

WE do not ask you to purchase the Dominion "Limited" because it is made in Canada by a Canadian company, but because it represents the highest standard of motor car value that is being offered to Canadian motorists at anywhere near its price. Examine this car as closely as you will and you will find that in staunchness and honesty of construction, authoritative correctness of design, handsome lines and exterior finish, it cannot be compared with any medium-priced car on the market.

This is a statement that we believe to be literally true. Send for our illustrated booklet. Read about this sterling car and judge for yourself. We have some excellent territory still unassigned, and solicit correspondence from dealers who are prepared to represent us properly.
