QUEBEC

CANADA.

THE PROVINCE OF PROSPERITY.

Vast natural resources and an industrious, thrifty, and enterprising population have brought unexampled prosperity to this Province.

No Province of the Dominion offers more startling opportunities for the investor. Immense water powers, now running to waste, will produce electricity for industrial purposes in unlimited volume; vast forests will supply an enormous cut of timber and wood pulp; rich mineral deposits hold out alluring opportunities to the prospector; extensive tracts of fertile land suitable for general farming and dairying await settlement. Next to its lands and forests, the Fish and Game of the Province are among its most valuable assets, providing splendid commercial opportunities and incomparable sport. Quebec is the Sportman's Paradise, the Holiday-maker's Elysium, and a land of opportunity for all.
