How to Sell Livestock

The Grain Growers' Guide fulfills every requirement for profitable livestock advertising. It reaches over 34,000 farmers every week, which is several thousand more than are reached by any other farm paper in this country. The Guide readers have the money this year and will be the buyers. The Guide carries livestock advertising at \$1.96 per inch, which we believe is a lower rate in proportion to actual paid circulation than is given by any other farm paper.

The leading livestock breeders in Western Canada use The Guide to advertise their stock because they find it pays. It will pay you too.

There will be a big demand for livestock this winter and those who want to buy will first look thru the advertising columns of the farm papers. If you want to sell your livestock be sure to have it well advertised. If you don't know how to write out your advertisement, write and tell us what stock you have for sale, and how much money you want to spend, and we will write your advertisement for you.

Use the Christmas Guide

We would specially recommend that every livestock breeder have an advertisement of his stock in the Christmas number of The Guide, which will be published on December 1. This will be one of the finest papers that The Guide has ever published and will contain articles on different phases of the livestock question written by the leading authorities of the West. The Christmas Guide will have a very attractive cover in two colors and will be specially illustrated thruout. It will contain about 60 pages and will be a magazine second to none.

In order to have your advertisement in the Christmas number it will be necessary for your copy to reach us not later than November 22. If you will send it in at once we will set it in type and send you a proof of it. If you wish us to make illustrations for your ad. from photographs you will have to send them two or three days earlier.
