SPIRITUAL RENEWAL

CONTRACTOR OF THE PROPERTY OF

By REVEREND W. HARRIS WALLACE

earth.—Psalm 104:30.

Beholding as in a glass the glory of the Lord. We are changlory to glory, as by the Spirit

of the Lord-II. Cor. 8:18.

gracious Lord; "If any man thirst Intercession comes and stands at the let him come unto me and drink. He altar, holding in his hand a golden Important that believeth in me, as the scripture censer. Unto him is given much inhath said, from within him shall flow cense, that he should add it unto rivers of living water." But this the prayers of all the saints upon spake he of the Spirit, which they the golden altar, before the throne;

cause Jesus was not yet glorified. like a sweet savour before God out s not of human origin; it is divine. the censer. Then the angel takes the censer, fills it with the fire of Not natural, but supernatural."Not the altar, and easts it upon the earth was suspected of being implicated in Successful stock sales ever held in place, had both legs amounted beby might nor by power, but by My and astounding results follow—the theft of watches and clothing spirit saith the Lord." If all true thunder peals, lightning flashes, from the McKim boarding house at the spirit saith the province was representspiritual renewing comes from on voices and earthquake convulsions. Point Anne on or about June 30th. ed by buyers, most of the offering high, and is mediated by the Holy What is the key to the mystery of The officer found his man at a farm going outside the country. One of Spirit, how can we attain it? There this manifest power? We are here house near Inverary and brought in prayer. Some years ago there appeared a report of an address to ministers by Dr. Whyte, of Free St.
George's, Edinburgh. In it he said,
as a voung minister, he had thought George's, Edinburgh. In it he said, and the world-wide work of the as a young minister, he had thought church of Christ, but in the whole his escape from the village on a mother of the time he had over pastoral ministers of God. Prevers of saints to the control of the time he had over pastoral ministers of God. Prevers of saints to control of the time he had over pastoral ministers and the world-wide work of the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village on a mother than the man who is supposed to have made his escape from the village of the man as a young minister, he had thought that of the time he had over pastoral visitation, he ought to spend with his books in his study. He wanted to feed his people with the very best he could prepare for them. But he had over pastoral work of the man who is supposed to have made his escape from the village on a moticed something in the church of Christ, but in the whole his escape from the village on a moticed something in the church of Christ, but in the whole his escape from the village on a moticed something in the church of Christ, but in the whole his escape from the village on a moticed something in the city of Kingston, on Saturday whatever its climate. If a land noticed something in the city of Kingston, on Saturday whatever its climate. The could prepare for them. But he had over pastoral torcycle.

Grant first gave his name as Watative value and who is supposed to have made his escape from the village on a moticed something in the city of Kingston, on Saturday whatever its climate. The could be developed, afternoon. Two Kingston merchants ously there was an explosion. The shiny object proved to be a dynamite shin the city of Kingston, on Saturday ously there was an explosion. The shiny object proved to be a dynamite shin the city of Kingston, on Saturday ously there was an explosion. The shiny object proved to be a dynamite shin the city of Kingston, on Saturday ously there was an explosion. The shiny object proved to be a dynamite shin the city of Kingston, on Saturday ously there was an explosion. The shiny object proved to be a dynamite shin the city of Kingston, on Saturday ously there was an explosion. The shiny object proved to be a dynamite shin the city of Kingston, on Saturday ously there was an explosion. The shiny object proved to be a dynamite of the could be adverted to the could be a shin the city of Kingston, on Saturday outless of the could be a shin the city of Kingston, on Saturday outless of the could be a shin the city of Kingston, on Saturday outless of the could be a shin the city that of the time he had over pastoral universe of God. Prayers of saints, torcycle. could prepare for them. But he had now learned that prayer was of more importance than study. He reminded his brethren of the election of the election of the election of the election of the saw the latter's and the saw the latter's paid \$650 for "Primers Prevail. The power of God and "Prime ed his brethren of the election of thus they prevail. The power of God deacons to take charge of the col- is put at the disposal of praying heavy. lections, that the twelve might "give souls; and upon the earth wonder-themselves to prayer and the minis-ful changes, convulsions, upheavings lections, that the twelve might "give themselves to prayer and the ministry of the Word," and said that at times when the deacons brought him gone up to heaven, found acceptance his salary he had to ask himself if times when the deacons brought him his salary, he had to ask himself if he had been as faithful in his engagements as the deacons had been gagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements at faithful in his engagements as the deacons had been at faithful in his engagements as the deacons had been at faithful in his engagements at faithful in his engagement at fa lost, and nrged his brethren to pray bucket went down empty, the other more. We allow man's business to take precedence of God's business. bucket comes down. We recall the Dutch proverb: "What is heaviest must weigh heaviest."

We must not forget faith and holy son with having stolen two suits of Knox as their owner and breeder. It is place. We too living as two important factors in clothes, ten watches, three rings, five G. A. Brethen handled the sale and must have the first place. We too inving as two important ractors in must give more time to prayer if we the prayer that prevails. "Without pairs of socks, several shirts and two was assisted by Messrs.
