ROSSLAND WEEKLY MINER

American troops also will be withdrawn. But on the many conditions which may arise, either through a counter proposition from the powers or a modifi Russia's original purpose the United States has left its course open for future

REBELLION SPREADING. A State of Chaos in outhern Province Which Promises Trouble.

New York, Sept. 5 .- Influential native New York, Sept. 5.—Influential natives state that the flame of rebellion has been fanned in the southern provinces, and predict a tremendous conflagration with-in a month, says a despatch to the Her-ald from Hongkong. Placards and pam-phlets are being circulated in Canton and the Provinces intimating that the allies are theoremptic control. The feeling

A TALK WITH DR. H. L. JONES the country as to keep up with the out-put of ore, when once outsiders realized the magnitude of the ore deposits of the HE IS MUCH IMPRESSED WITH

Asked to express an opinion with reference to express an opnion with rel-erence to electricity and its applica-tion to the development of the numeral resources of this country, Dr. Jones spoke as follows: MINING POSSIBILITIES HERE.
