## Life on the Farm

By WALT MASON

The golden dawn is breaking, the mules and cows are waking, and eke the attired steers: "I'd give a million dollars," the drowsy hired man hollers, "to sleep for fifty years!" He rubs his eyes and grumbles as down the stairs he stumbles to do his morning chores; he's pretty nearly weeping, his thoughts are all of sleeping, and of ecstatic snores. You do not hear him singing, his laughter isn't ringing, as he toils around the barn; not off the hired man whistles; his feet are full of thistles, and all he says is "Darn!" The long, long day's before him, a brazen sky is o'er him, and he is seeing red; and all the time he's thinking how sweet 'twould be a-sinking into a feather bed! He milks the old cow "Bossy," and makes the mules look glossy, and makes the horses shine; and then, with weary talons, he packs five thousand gallons of hogwash to the swine. He gives the calves their toddy while they climb up his body and kick him on the shins; and thus, with chores unending, and sighs and groans ascending, the rural days begin. And ever as he totters around the barn and potters with horses, mules and steers, the hired man sadly hollers, "I'd give a million dollars to sleep for fifty years!"

## SPORTING COMMENT

By FREE LANCE

Harry Donovan apparently is the Red Sox hard luck pitcher. He held his opponents to two runs yesterday for ten innings, and was unable to get by because his team mates were not hitting behind him. Donovan has the stuff and it won't be long before he is returned a winner. The Red Sox prior to their trip to Peterboro had been going strong at the bat, and the reason for yesterday's defeat is summed up in the box score in the tenth hits they secured.

Peterboro had a crowd of 2,500 for opening day. Not so bad for a club which had lost four straight games. With fair weather Brantford will get another big opening at Ottawa.

There is one, Peter Cancelli, who hopes to goodness Brantford sells Brundage soon, as there is a dangerous likelihood of his going broke paying out dollars for home runs.

Brundage only got one hit yesterday which accounts for the sparseness of Red Sox hits in the game.

Chapdelaine got a hit in the eleventh helping Peterboro to win the game. We opine, however, that the Frenchman was unable to pull his bat away from the direction in which the ball was travelling.

Several games were played in front of the Courier Bulletin board last night. They always are interesting.

## Breezy Comment on Football Situation

By winning their game on Saturday the Dufferin Rifles are right up in the running for the Y. M. C. A. team. The Y. M. C. A. team and the rifle brigade had a battle royal on Saturday at Agricultural park. Trainer Blues of the military team was delighted over the victory of his team on Saturday, and is of the opinion that, as the 38th and 39th regiments are in the running for the championship, the team is going to remain there. The rifle team were in the pink of condition on Saturday and, deserved their well-earned and hard-fought victory. The Y. M. C. A. eleven are not in the least downcast over the result of Saturday's game as they state they cannot be expected to win every game, but are confident that they will be up around the top all season and first when it closes.

The Holmedale Tigers are a team that are not to be overlooked. The Jungle boys from the reverse side are to be reckoned with, and have a team that when they get going right will make them all step. A little more combination and shooting practice will put the Tigers in pretty good shape.

Up in the North Ward the St. Andrews Athletic Club have a strong team of likely looking colts, some of whom are just breaking into the game. The youngsters have lots of speed and combination but lack experience and are inclined to become nervous at critical moments. These lads have every indication of becoming top notchers, but will require a lot of hard steady practice and a lot of experience and seasoning. But once they get the stage fright worn off and get a little more confidence in one another, they will make some of the older teams step the limit to beat them.

Sam Seago has his 25th. Brant right up in the running for the championship, and expects big things from the cavalry team in the future. The Dragons are a comparatively new team and will be able to get into good shape when the regiment goes to Niagara for camp. The boys will be able to practice every night and, expected to win every game, but are confident that they will be up around the top all season and first when it closes.

In Eagle Place the Tutela team are not letting the grass grow from under their feet and are practicing hard and consistently. Things are not breaking right just at present with the Tutela boys but luck is bound to change and when they strike their gait, will probably set a pace that other teams will find hard to follow.

## DUFFERINS ON PARADE

The regular weekly parade of the Dufferin Rifles numbered 384 last evening, being slightly below the average attendance. On account of the different attractions in the city the officers have been unable to accomplish their aim—500 on parade every parade night. A number of officers took advantage of the spring weather and drilled their company out on the gore and on the paved street. After the companies had practiced drill for an hour, they marched into the armories where they were inspected in company drill by the commanding officer after which the march past was practiced. The officer commanding was very much pleased with the manner in which the different companies executed the commands.

While the soldiers were drilling the brass and bugle bands held practices in their respective band rooms. The parade standing was as follows—A company 51; B company 42; C company 30; D company 27; E company 43; F company 2; G company 18; H company 33; stretcher bearers 8; signallers 27; staff sergeants 5; Field Officers 7; brass and Bugle bands 65. Total 384.

## PETERBORO WON OUT IN ELEVENTH

Donovan Pitched Fine Ball and Red Sox Played Scrappy Game in the Field--Brundage Scored the First Run.

(Special to the Courier.)  
PETERBORO, Ont., May 12.—The local Canadian League season was opened most auspiciously to-day with over 2,500 people in the stands and Peterboro breaking into the league at the expense of Brantford, beating the Red Sox 3 to 2 after a most exciting eleven-innings battle.

A HARD FIGHT  
It was a hard fight all the way, with big Bob Sterling, the pitcher the Petes secured from Decatur, opposed to Donovan. The two had a merry argument, with Sterling having a shade the best of it. Five hits were all the hard-hitting Sox could get off his delivery, and had it not been for infield boots the game would have been terminated in the orthodox number of innings.

RED SOX FIELDLED WELL  
Brantford outfielded the Petes, who turned in with six misplays, but the Caps bunched hits on Donovan in several innings for enough runs to win out.

PETES STARTED TROUBLE  
The Petes opened the scoring in the first innings. Brant was passed, and after Donovan had fanned Byrne, Manager Rowan scored Brant with a long triple to right field. Donovan tightened up and retired the side with no further damage.

A CHANCE SLIPPED  
The Sox had a chance in the second, when Diem and Coose were safe on two errors by Sargent, but Lamond's best was a high foul fly to Byrne.

WAGNER SLIPPED  
Peterboro added another in the third. Sterling led off with a double to centre and was sacrificed to third by Brant scoring on Rowan's scratch hit. Wagner slipping as he fielded the ball.

BRUNDAGE STARTED IT  
Manager Kane's aggregation broke into the run column in the fourth. Brundage led off with a single over second. Diem walked, and Coose moved the pair up with a nice sacrifice. Lamond hoisted one to Brant, Byrne booted Donovan's easy grounder, and Brundage scored. Tesch fled out to Totten.

DONOVAN DOUBLED  
Both pitchers went along nicely until the sixth, when the fighting Sox tied up the score. Coose fanned; but Lamond was passed, and Donovan made a big effort to win his own game by driving out a double to left, scoring Lamond. He was out at third trying to stretch his hit into a triple, and Tesch ended the innings by striking out.

THE FINISH  
There was nothing doing in the tenth, and although Coose hit safely with one gone in Brantford's half of the eleventh, the next two were easy. In the Pete's half Chapdelaine, the catcher secured from Brantford, led off with a smoking single between short and third, and when Sargent drove a long one over Diem's head the backstop breezed home from first with the winning run.

The season was opened with the usual ceremonies, including an automobile parade, while Mayor Bradburn pitched the first ball. The Sox played very snappy ball in the field.
