Good first class Hockey Tuesday

night Canning will play here against

the "Victory" team, senior team.

These teams are well matched and

basic comparison with any Hockey

teams in the Province, playing good

fast scientific Hockey. We expect

a big attendance and can assure any

one attending more than value for

their money. This team is brought

here at a great expense and it

requires two hundred admissions to

pay expenses. Reports of games

in other towns no larger than ours

this year show an attendance of from

twelve to fifteen hundred. The

attendance at our games have hardly

ever exceeded one fifth of that

number. We have a splendid team

well deserving of the towns favor and

patronage and we think that the least

all lovers of good, clean sport can do,

is to show their appreciation by

attending the games. You will not

be giving something for nothing, for

everyone must admit that the pleasure

and excitement of seeing a good game

of Hockey is well worth price of

admission. So everybody go and see

our boy's best Canning or perhaps

Canning beat our boys. Don't forget

Tuesday evening.

Cold Settles in the Back

It hits people in a tender spot and

makes it mighty hard to brace up.

Nerviline will take that kink out of

your spinal column in short order; its

soother, that's why relief comes so

soon. Nerviline penetrates, that's why

it cures. Five times stronger than

ordinary remedies Nerviline can't fail

to cure lame back, lumbago, sciatica

and neuralgia. Nerviline is king over

all muscular pain, has no equal and

costs 25c. per bottle.
