GOOD NEWS

I am glad to be able to report that my efforts to reduce the price of some lines of furniture, by buying larger lots and taking cash discounts, have been successful.

That \$15 Bedroom Suite, finished in antique oak or cherry with large square plate mirror, which has had such a run, I can now give you for \$14, at least while this lot lasts. Parlor Suites are also down, although I notice quite an improvement in the make up and finish; in fact, I never saw better goods for the price.
