At a meeting of the Exacutive Monday evening, President Robert Gray in the chair, the drawings were made for the President's 18. Vice-President's rinks. The competitions will begin Christmas morning, Monday, Dec. 26th, and will be continued during the afternoon.

The drawings were also made for the rink competition, but it is not yet decided which rinks will play against each other. This part of the drawing will take place at another date, although the rinks and the players that constitute them are now finally set ied.

The interest at the present time is now centered in the President vs. Vice-President competitions for a barrel of flour to be donated to charity, losers to pay for same.

The drawing of this competition which was done by picking numbers from a hat, was unique, in that the skips are most evenly matched and the rinks on the whole most evenly divided.

HORSE THIEF NABBED

Eli Moses, the Walpole Island In dian, was arraigned on the charge of stealing a horse and buggy from Tupperville. He was captured on Monday after an exciting chase. The police received word that the Indian was in the Rankin Hotel, and Chief Holmes and P. C. Darr went after him. When the redman saw the cop he bolted out of the side door and fled. About 10 young fellows started in pursuit, but only one was able to keep the fleet-footed redman in sight. The pursuit was getting too warm so he bolted into the yard at Chrysler's livery stable and caught himself between the shafts and the wheel of a rig. He was captured and yesterday

City Tax Collector William Rannie City Tax Collector William Rannie has made his first collection of taxes, and after figuring up the totals has found that he has received, \$91, \$20 out of a total of \$128,000 altogether. December 14, last Wednesday, was the last day for payment of taxes before the two per cent. Was added, Since then Mr. Rannie and his assistant Mair Racd have been added. Since then Mr. Rannie and his assistant, Major Reed, have been busy figuring up the total amount paid in and found that it was \$91,820. This is more than has been paid in this early before in the history of Chatham. One important reason for this is the fact that the taxes of Chatham amounts to \$15,000 more this year than in any previous year. Local improvements are largely responsible for this. This year the people began paying for the William St. pavements.
