

Shoes and shoes, rubbers and overboots, are selling cheap at Brown & Powell's. They have lowered their prices, and are pushing their goods. Call early and get bargains.

"Must be sold" is the motto A. O. Nathan has adopted with regard to his stock of ladies' and misses' furs. Intending purchasers may therefore find the fashionable West End, anticipating bargains in those goods.

Persons who have been cured of toothache are coming in every day, telling Mr. F. Cooke how thankful they are to him for curing them of that terrible suffering. If you have the toothache you can get cured at Cooke's drug store, Market Square.

A bit of advice—read the new advertisement from The Lion, and secure one of the cheap battle robes before they all go.

Hend & Co. say their stock of goods suitable for Xmas and New Year presents and the Holiday Season is unequalled for variety, excellence and cheapness. Prices of all reduced to meet the hard times. See ad.

JUST PUBLISHED BY THE PEABODY MEDICAL INSTITUTE, a new edition of the celebrated medical work entitled "THE SCIENCE OF LIFE, OR SELF PRESERVATION." It treats upon MARSMOOR, how lost, how regained, and how perpetuated; causes and cure of Exhausted Vitality, Impotency, Premature decline in Man, Spematorrhoea, or Sexual Incontinence, Mental Depression, Nervous and Physical Debility, Hypochondria, Chronic Fooding, Menstrual Disorders, of Energy, Haggard Countenance, Confusion of Mind and Loss of Memory, Impure state of the Blood, and all diseases arising from the Exhaustion of Force or the Inordinations or excesses of mature years.

It tells you all about the Morale of Generative Physiology, the Physiology of Marriage, of the Expansion of Vein, the Diseases of Impotence, Ancient Ignorance and Errors, Misuse of Coercion, and the Physiology of the Organs of Generation, Address to Patients and Invalid Readers, the Author's Principles. The price of this book is only \$1.00.

This Book also contains more than FIFTY PRESCRIPTIONS for the above named and other diseases, each one worth more than the price of the book.

Also, another valuable Medical Work treating exclusively on MENTAL AND NERVOUS DISEASES; more than 200 royal octavo pages, twenty elegant engravings, bound in substantial cloth. Price only \$1.00, barely enough to pay for printing.

The Book for young and middle aged men to read, but not less to the Science of Life, or Self Preservation. The author has returned from Europe in excellent health, and is again the chief consulting Physician of the Peabody Medical Institute, No 4 Bulfinch Street, Boston, Mass.—"Republican Journal."

"The Science of Life is beyond all comparison the most extraordinary work of Physiology ever published."—Boston Herald.

"Hope nestled in the bottom of Pandora's box, and hope plumed her wings away, since the issuing of these valuable works, published by the Peabody Medical Institute, which are teaching thousands how to avoid the malady that snatches the citadel of life."—Philadelphia Eagle.

It should be read by the young, the middle-aged and even the old.—New York Tribune.

The first and only Medal ever conferred upon any medical man in this country, as a recognition of skill and professional services, was presented to the author of these works, March 31st, 1876. The presentation was not due at the time of its occurrence by the Boston Press and the leading journals through out the country. This magnificent Medal is of solid gold, set with more than one hundred Indian diamonds of rare brilliancy, which are altogether in its execution and the richness of the materials, and size, is decidedly the most noticeable piece ever struck in this country for any purpose whatever. It is well worth the inspection of those who are interested in the history of the world. It was fairly won and worthily bestowed."—Massachusetts Telegraph, March 31st, 1876.

See Catalogue sent on receipt of 7 cents for postage.

Order of the above works sent by mail on receipt of the price. Address PEABODY MEDICAL INSTITUTE, or W. H. PARKER, M.D., Consulting Physician, 90 & 92 Bulfinch St., Boston, Mass., opp. Revere House.
