

## MONTREAL

The Fifth City in North America

New York Chicago, Philadelphia, Boston, Montreal. Thus ranks Montreal, the fifth largest city in point of population (over 700,000) in North America, and also the largest city in English speaking portions of the British Dominions beyond the seas.

Mount Royal, the magnificent public park, than which no city in the world has a superior, never presents so beautiful an appearance as in its autumnal tints.

The Canadian Metropolis with its immense stores, theatres, concert halls and other places of amusement in full swing is particularly attractive at this season of the year.

Special excursion fares on Government Railways will be in effect Sept. 30, Oct. 1 and 2, good for return until Oct. 18. The fare from Halifax to Montreal and return on these dates will be \$19.45, and proportionately low rates will prevail from all points in the Maritime Provinces.

With the excellent accommodation on the two through express trains, the Ocean Limited and Maritime Express, passengers from the Maritime Provinces are assured of an enjoyable fall holiday.

The purchasers are Fraser, Ltd., also of this city, and the property thus being transferred includes 125 square miles of crown lands which T. ## Gained 30 Lbs. in Few Weeks Never Felt So Well

Who Was Weak and Thin, and Had Nervous Headaches Before Using Dr. Chase's Nerve Food.

It is truly wonderful what Dr. Chase's Nerve Food does for women who are weak, weary and run down in health. New, rich blood is what is needed in nearly all such cases, and because Dr. Chase's Nerve Food forms new blood it brings cure—not mere relief, but actual cure—in the great majority of such ailments.

With an abundance of rich, red blood coursing through the veins the nerves are strengthened and vigor and vitality are carried to every organ of the human body.

With the nerves properly nourished, appetite improves, digestion is good, you sleep and rest well, and gain in strength and weight.

Mrs. H. Latch, Cannington Manor, Sask., writes:—"You will remember me writing you last spring. Well, I gave up my doctor and began using Dr. Chase's Nerve Food. This treatment cured me rapidly and I was soon myself again. I was pale, thin and weak, suffered from stomach troubles and liver complaint, and frequently had sick, nervous headaches. I was surprised to find that in a few weeks' time I had gained 30 pounds in weight. I never felt so strong and well in all my life. Headaches never bother me any more, and I am grateful for the cure. If people would only give this medicine a fair trial they would certainly be cured." Everywhere people are talking about this great food cure, which cures in Nature's way, by supplying the ingredients to form new blood, and so overcome weakness and disease by an abundance of vitality. The young pair will reside in East Glassville and have a host of friends who wish them every happiness in their new life.

that beautiful picture, full of pathos, entitled "On the Field of Honor." It is assumed the publishers of the Family Herald have in mind using it as a presentation plate. If that is so there is a great treat in store for readers of The Family Herald and Weekly Star this autumn. In past years The Family Herald of Montreal has been noted not only for the wonderful excellence of that journal but many beautiful pictures it has presented to its readers. The Family Herald has a name for succeeding in anything it undertakes, and we feel sure if it is humanly possible to secure "On the Field of Honor" that the publishers will succeed in getting it. "On the Field of Honor" is attracting widespread attention in Europe.
