GATES' ACADIAN LINIMENT

For Internal and External Use.

A few drops in a cup of hot water, well sweetened, makes a pleasant drink and is the best remedy for

COUGHS AND COLDS.

After a cold winter's drive, a seat by the fire and a cup thus prepared will be highly prized.

As an application for cuts, bruises, sore throat, croup, burns, headache, rheumatism, etc., Gates' Acadian Liniment is the

Best Because Strongest.

Hence a certain quantity lasts longer than of other Liniments beside giving better satisfaction. It will also remove the "black and blue" from bruises when other Liniments fail.

It is equally useful for Horses, and hundreds of stables and liverymen keep it constantly on hand, for sprains, swellings, coughs, distemper, and other ailments of their horses and cattle. For colic I-3 of a bottle given in a bottle of milk or water is a speedy and positive cure.

Athletes have found Gates' Acadian Liniment excellent for a rub down. It is sold everywhere, at 25 cts. in 3 oz. bottles, each fitted with a rubber cork to preserve its all-time strength. GATES' GENTLE PLASTER is the best strengthening Plaster

Homestead Regulations.

Any even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres more or less.

Application for entry must be made in person by the applicant at a Dominion Lands Agency or Sub Agency for the district in which the land is situated. Entry by proxy may, however, be made at an Agency on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans:

(1). At least six months' residence upon and cultivation of the land in each year for three years

(2). A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3). If the father (or mother if the father is deceased) of a homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).

(4). The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5). A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

GONE FOREVER.

A farmer out in Kansas. About five years ago. Went into town one day to spend Some of his hard earned "dough" "And in a merry jest," and just To show his printing skill, He printed his initials on

A brand new d-o-l-l-a-r b-i-l-l.

He spent that dollar that same day Down at the village store.

He thought 'twas gone for ever then. And he'd see it no more.

But long before that year rolled by One day he went to fill A neighbor's order, and received That same one d-o-l-l-a-r b-i-l-l.

Once more he spent that dollar bill On his own household.

Where it would do himself and friends The most amount of good.

Four times in two years it came back. As some bad pennies will.

And each time he'd go out and spend This marked one d-o-l-l-a-r b-i-l-l.

Had he been wise that dollar might Be in his town to-day.

But just about two years ago He sent it far away.

The people who received it then I know have got it still.

For 'twas to a mail order house He sent his d-o-l-l-a-r b-i-l-l.

No more will that marked dollar come Into the farmer's hands.

And nevermore will it help pay The taxes on his land.

He put it where it never can Its work in life fulfill.

He brought about the living death Of that one d-o-l-l-a-r b-i-l-l.

That lazzard, lifeless feeling that comes with spring and summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative.

The Restorative is a genuine tonic to tired, run-down nerves, and but a few doses is needed to satisfy the user, that Dr. Shoop's Restorative is actually reaching that tired spot.

The doctor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and oftentimes weakens the heart's action.

Use Dr. Shoop's Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by All Dealers.

Chancellor Jones of the University of Manitoba, Wednesday afternoon with Hon. Charles E. Oak, of Bangor, at the government offices in Fredericton when Hon. Mr. Oak made some suggestions to the Chancellor in connection with the establishment of the forestry school at the University.

He thought that when the school opened arrangements should be made to have the men attending spend a certain amount of time each year in the lumber woods, thus giving them practical experience. If such a course was adopted Hon. Mr. Oak felt that the U. N. B. would be able to have a forestry school second to none on the continent.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

IS W. F. A GINGER-BREAD MAN?

The following letter appeared in the Toronto Globe of April 18th inst: To the Editor of The Globe: "Pigs is Pigs" is the funniest of railway stories, but it is not half as excruciating as Mr. William F. Maclean's acrobatic attitude on railway and newspaper affairs. He has increased the price of his Sunday edition to the newsboys, despite an increasing circulation, from 3 cents to 3½ cents, because of the greater expense in issuing it. Mr. Maclean, however, takes a diametrically opposite view when he deals with the railways. He wants to reduce the passenger rates to two cents a mile, in the face of the vastly increased cost of railroading. Now, if William is honest in this intention, he should ponder over the holy show he is making of himself.

The World, he claims as a pretext for the advance, is giving a better paper. So are the railways giving a better service. The Sunday World, he asserts, is increasing its business. So are the railways. The Sunday World, he argues, is at a greater expense in publishing its Sunday edition. So are the railways in handling passengers. Here the similarity, unfortunately for somebody, ends. The world advances its price. The railways charge the same old rate. But Mr. Maclean is not satisfied with this. He wants the railway rate reduced.

Some of us are innocent enough to wonder why this self-constituted champion of the people's rights does not actually do himself what he insists others shall do, and why his great, bursting heart doesn't flutter for the poor newsboy, as it has been throbbing for the long-suffering public. And some of us are thinking that, after all, he is like many another of these pinchbeck defenders of the people's cause—merely a gingerbread man, with the gilt now badly worn off. Yours,

SHERIFFS APPOINTED.

Fredericton, April 22—The Lieutenant-Governor has assented to the appointment of sheriffs for the province. There will be four new sheriffs including Sheriff Russell Williams who was lately appointed in Queens to succeed Sheriff Reid, who resigned owing to illness.

Changes have been made in Restigouche, Albert, Kent and Carleton counties.

In Restigouche James E. Stewart, of Dalhousie succeeds Sheriff Robinson.

In Albert county Captain Benjamin T. Carter succeeds Sheriff Lynds.

In Kent county Basil J. Johnson succeeds Sheriff Goggin, a recently appointed officer.

In Carleton county Sheriff Hayward is succeeded by Mayor John R. Tompkins, of East Florenceville.

In other counties the sheriffs have been reappointed.

Pain, anywhere, can be quickly stopped by one of Dr. Shoop's Pink Pain Tablets. Pain always means congestion—unnatural blood pressure. Dr. Shoop's Pink Pain Tablets simply coax congested blood away from pain centers. These Tablets—known throughout as Dr. Shoop's Headache Tablets—simply equalize the blood circulation and then pain always departs in 20 minutes. 20 Tablets 25 cents. Write Dr. Shoop, Racine, Wis. for free packs. Sold by All Dealers.

Dr. Spronk has his large gasoline launch about completed. Yesterday he went down to Maple Green where it is being built and made arrangements for the installing of the engine. The boat is a very nice one. When it is ready for the water the doctor intends taking it to Chatham as he has already sold the craft to parties there. Work on another which is to be much larger than the first has already been commenced and the buildings expect to have this craft ready early in the summer.—Campbellton Tribune.

WARM AND DRY TO STAY WELL.

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack.

Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidney's fail to filter out. Any one can easily prepare this at home and at small cost.

Druggists in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or, if our readers prefer, they will compound the mixture for them.

KILLED BY CENT AFTER 60 YEARS

LAPORTE, Ind., Tuesday.—A large copper cent, swallowed 60 years ago, today caused the death of James Hucksins, 67, a farmer.

The coin became encased in the lining of the stomach at the time it was swallowed, and remained there until recently, when an abscess formed and aided in the stomach began to dissolve the coin. Poisoning ensued, causing death.
