[Continued from Protestent, Feb. 8.]

Coun Halbarton -- Mr M'Donell does not wish to be in any ay compromised by giving evidence, as he has not agreed to

he temperature by giving evidence, as he has not egreed to Con Painter—How much land have you an interest in?

Mr M-Danel—I and my immediate relatives have an interest of 2.35 of ahout 4000 acres. (Vr M-Donell then gave a statement of several sales of leaseholds on his property. One person had said 10 screes at the first annex of the lease o

Cont. Gray. That is not an average price. what was average by a very feet.

If W.O. I have known withcrease land about 25 miles from Charlottown to be sold at £1 17s an acre.

Com Howe. What would your family be estimated with for the avenually well as a very feet.

Coin Howe—What would your family be estimated with for the property Mr M D.—If the money was offered right down, I think we would take about 29 years' perchase. Some of the tenants spoke of hartships, hat several on our property have not paid any real fine that it dor if years. Within the lest coartley were served with an epictureat—that is, the most of them. The matter has them sentiated by forgiving them all greaters, and their convenient may be an interest of the matter has been sentiated by forgiving them all greaters, and their convenient may be an interest of the matter of the

council a large tract of land bare, and it was proposed in burgained with acuse people in they would per him so mach, he would be more. The people care and settled, and as he would not seen and settled, and as he would not least I never heard any impuration the last I never heard any impuration has had £1000 from his parishioners, and I he is a debt. You have a firm, do you had that it pays a mant say that it does; but I have to hire.
