JUNE WEDDINGS.

A Great Gathering of Young People Known to Herald Readers.

So far June has been a great month for weddings. Last week The Herald published a long list of such announcements, and the procession continues this week. A Harvey correspondent writes: "The residence of Mrs. W. W. E. Smith, of Harvey Station, was the scene of a very interesting and happy event on the 20th inst., when her second daughter, M. Alice, was united in marriage to Rev. Franklin W. Barker, of Somerville, Me. The ceremony was performed by Rev. J. A. McLean, B. A., assisted by Rev. Joseph Barker, father of the groom, formerly of Sheffield, Sunbury Co., at 8.30 p.m., in the presence of a large number of invited guests. The bride was attended by her sister, Miss Emma Smith, and E. O. Leary, of Halifax, acted as best man. That Miss Smith was a general favourite was proven by the large number of beautiful and costly presents she received. At the conclusion of the ceremony lunch was served, and music with games, were heartily indulged in. The happy couple took the westbound midnight train, followed by the best wishes of hosts of friends. They will reside in Somerville, where Mr. Barker is stationed."

A former Fredericton boy's nuptials with a fair Carleton young lady is chronicled by a correspondent from Johnville, who says: "On the morning of the 18th inst., a most interesting ceremony took place in St. John's church, Johnville, Carleton county. The occasion was the uniting in the holy bonds of matrimony of Dr. H. D. McManus and Miss Kate Cummins, daughter of the late Simon Cummins, of Carleton county. The mass and marriage ceremony were performed by Rev. D. J. Gallagher, nephew of the bride, assisted by Rev. J. Murray. After mass a pleasant breakfast party met around the table of the bride's mother, when the congratulations were unlimited. To give a list of the many beautiful and costly presents would take a large space, as the articles will fill up many important portions of the new home. The happy couple left for Washburn, their home, on the 3.15 train. The Herald extends its best wishes."

ZebEDEE Estey, of Kingsclere, and Miss Margaret Jean Murray, daughter of Conn. John C. Murray of the same parish, were married at the Springfield Episcopal church at 6 o'clock last night. Rev. H. Montgomery performing the ceremony. The church, which was beautifully decorated with flowers, was crowded to the doors. Miss Murray was attended by her two sisters, and Mr. Estey had the support of Mr. Murray, Dr. H. Montgomery, and Miss Christina Cameron, the bride. Miss Mabel Powys, of this city, presided at the organ, and her sisters, the Misses Florrie and Ethel Powys, assisted the choir. Mr. and Mrs. Estey, after the ceremony, and joined by a large number of their friends, drove to their home in Central Kingsclere.

Prof. Murray, of Dalhousie, formerly a popular student and professor in the university of N. B., and Miss Christina Cameron, daughter of Nathaniel Cameron, surprised their friends yesterday morning when they were married at the home of the bride's father, Mr. Nathaniel Cameron, York street, at 5 o'clock. Rev. Willard Macdonald performing the ceremony. The only guests outside the family were Prof. and Mrs. Duff. The bride wore a traveling costume, and Prof. and Mrs. Murray left by the early train for their wedding trip to Boston, followed by the good wishes of many friends.

At an unassisted today, Dr. J. R. Macintosh, of St. John, an old university student, and Miss Marion McLeod, for some years teacher in the Model school, were married at St. Paul's church by Rev. Willard Macdonald. There was a large audience present to witness the ceremony.

The Tartars Win.

The Tartars and Hoodoos, Fredericton's two leading baseball teams, met on Scully's field Friday afternoon and the latter were very badly defeated, the score standing 28 to 4. Indeed the Hoodoos were not in with their opponents and were whitewashed in six of the nine innings. The victors were, Grace, C. McLeod, p., McGoldrick, I. B., Ferguson, 2 b., Tibbets, 3 b., Finnimore, c., McParlane, I. F., Howe, c.f., Sterling, J. F., and all played their positions well. Norman McLeod, who pitched a great game for the Tartars, was not safely hit at any stage of the game, and Grace as backdrop was a great success. McGoldrick at 1st base, Geo. Ferguson at 2d, and Jas. Tibbets at 3d played a beautiful game in fact the whole nine put up great ball both at the bat and in the field. For the Hoodoos, Fred Wilson on 1st, and Fred Allen, behind the bat, played finely, but the pitcher was off and the other support very poor. Dan McDonald successfully impaled the game, and a large crowd of spectators witnessed it. The Tartars are a strong team and with McLeod in the box ought to down the Marysvilles and maintain the credit of the city against any provincial amateur team.

The Masonic Church Parade.

The Freemasons made a splendid turnout Sunday forenoon, when headed by the R. R. C. I. band and wearing their regalia they attended service in the Cathedral where they heard a special sermon by Rev. Dean Partridge. Some eighty members of the order took part in the parade, under the direction of ex-Mayor Beckwith, and their appearance and marching was very much admired. It was the first public parade in this city of the Royal Arch Chapter in official dress, and in their ashes and other gear they looked simply irresistible. The blue lodge also came in for a share of the public admiration. The Rev. Dean's sermon was founded on a verse from Jeremiah, chap. V: "God's light of the perfect man. The preacher in eloquent language held up the tenets of the Masonic order as a standard and calling for the exercises of all the Christian virtues, especially dwelling on the charitable side of the order. The sermon was an able effort, and held the closest attention of the crowded congregation."

MR. FRED ST. JOHN BLISS

Should have read the Evidence published below

Before he cast a vote in the Alumni Society which prevented Governor Fraser from receiving an Honorary Degree.

The Herald last week called public attention to the ingratitude of Fred St. John Bliss exhibited towards Governor Fraser and Premier Blair when he cast his vote in the University Alumni Society which resulted in preventing these two gentlemen from receiving an honorary degree from the University. We referred to the substantial friendship shown the late Geo. J. Bliss, Fred St. John's father, by Governor Fraser while he was a member of the local government, and also mentioned the fact that at least two public positions with emoluments attached, from Hon. A. G. Blair. Below we publish some of the evidence from the House of Assembly Journals of 1882 taken during the legislative investigation into the affairs of the late Wm. Carman, clerk of the press, and from it will appear that Governor Fraser proved a benefactor to the late Geo. J. Bliss. In a large sum of money out of his own pocket which went towards the support of the late Mr. Bliss' family, of whom Fred St. John Bliss was one. On March 7th, 1882,

Hon. John J. Fraser

gave evidence before the committee, and that which bore on his relations to Mr. Bliss, was as follows:

"I was Provincial Secretary and Receiver General from July 1872, to May, 1878, and was one of the parties who brought about the arrangement which led to the resignation of Mr. Bliss as clerk of the legislative council. I think I recall that a large sum of money out of his own pocket which went towards the support of the late Mr. Bliss' family, of whom Fred St. John Bliss was one. On March 7th, 1882,

brother G. S. T. Bliss, the results that year being \$91.00; in 1888 Fred again resumed his position as clerk of the legislative council, and in 1889 another brother Lewis, took the job and received \$106.50, so that it remained in the family for at least six years. All this time Fred St. John Bliss was an enthusiastic supporter of Mr. Blair and his government, and that support was continued until Fred's demands grew so large that the government did not feel like satisfying them. Hence his resignation. We give these instances of Governor Fraser's and Premier Blair's generosity to the Bliss family, to show what an ungrateful person Fred St. John Bliss proved himself to be when he stood alone in the Alumni Society a few weeks ago and gave a vote which resulted as he knew it would be in blocking the conferring of honorary degrees on two distinguished gentlemen who in times past were the benefactors of himself and his nearest relatives.
