House Cleaning Hints.

The meat should be hashed very Realities of War-Graphic Description.

A popular writer thus describes a toes or bread crumbs soaked in sweet battle:-"We have been fighting at the milk. Ordinary hash, made of equal edge of the woods. A moment ago the proportions of corned beef and potatoes, battery was a confused mob. We look can be much improved and rendered again, and the six guns are in position, really delicious by adding bread crumbs soaked in milk, or sweet milk or cream without the crumbs, and working it well with the hand, then forming it into rolls and browning in the oven. Or it may be placed in a well-buttered pan and put in a hot oven until brown on the bottom and sides and perfectly heated. When ready to serve, turn it from the pan onto a heated dish. Very nice hash balls are made by mixing hashed meat, bread the detached horses hurrying away, the amunition chests open, and along our line runs the command, 'Give them one more volley, and fall back to support the guns.' We have scarcely obeyed when boom! boom! opens the battery, and jets of fire jump down and scorch the green trees under which we fought and struggled. The shattered old brigade has a chance to breath, for the first time the detached horses hurrying away, the a heated dish. Very nice hash balls are has a chance to breath, for the first time in three hours, as we form a lane and lie down. What grim, cool fellows those season to taste with salt and pepper and sweet herbs, if liked. If the meat is mostly lean, sweet cream or a little butter or dripping must be added. Make into round cakes and fry quickly in a small quantity of hot fat till brown on both sides, and serve hot. For frying all these meats and potato cakes the fat fried out of salt pork is much better than fresh lard.

Store and Apple Purply 2 — Page and season to taste with salt and pepper and countries of the grim, cool fellows those down. What grim, cool fellows those cannoneers are! Every man is a perfect machine. Bullets splash dust into fect machine. Bullets splash dust into their faces, but they do not dodge. There goes one to the earth, shot through the head as he sponged his gun. That machinery loses just one beat, misses just one cog in the wheel, and then works away again as before. Every gun is using a short fuse shell. The ground shakes and trembles, the roar shuts out crumbs soaked in milk, and a fresh egg: down. What grim, cool fellows those SAGO AND APPLE PUDDING.—Pare and core six good sized apples and put them long, and the shells go shricking into the shakes and trembles, the roar shuts out bottles. - ad in a pudding dish. Boil a teacupful of swamp to cut trees short off; to mow FLOWERS AND PLANTSsago in water till clear, and pour it over the apples; grate a little nutmeg on the top and put it in a moderate oven for half an hour; serve hot with a sauce You would think a tornado was howling made as follows: Beat one egg well and through the forest, followed by billows mix smoothly with it a tablespoonful of cf fire, and yet men live through it—aye corn starch, or flour, adding a little milk press forward to capture the battery. if it is not thin enough. Stir this into a cup and a half of boiling milk and for the rush. water, sweeten well and flavor with Now the shells are changed for grape

lemon. If the apples do not cook well they may be stewed previously to pour-fast that all reports blend into one mighty roar. The shriek of a shell is DOUGH NUTS THAT WILL NOT SOAK the wickedest sound in war, but nothing FAT. -One egg, one cup milk, one tablemakes the flesh crawl like the demoniac spoonful melted lard, mixed together. singing, purring, whistling grape-shot, As much flour as will make this roll out and the serpent-like hiss of canister. nicely, but not too hard, two teaspoonMen's legs and heads are torn from fuls of baking powder, and half a cup of bodies, and bodies cut in two. A round sugar mixed and stirred into the milk, shot or shell takes two men out of the &c., roll out, cut into round rings and fry in hot lard. shot or shell takes two men out of the rank as it crashes through. Grape and canister mow a swathe and pine the dead control of each other. Through the smoke we see a swarm of men. It is not a battle, but a mob of men desperate enough to bathe their bayonets in the in three eggs, not beaten, one at a time, flame of the guns. The guns leap from and beat well; drop by the tablespoonful on to buttered tins and bake in a on the foe, and shricks and screams and quick oven for twenty-five minutes. shouts blend into one awful and steady When cool open and fill with cream cry. Twenty men out on the battery made as follows :- Beat together one are down, and the firing is interrupted. egg and half a cup of sugar, add two
The foe accept it as a sign of wavering tablespoenfuls of flour, and stir into a and come rushing on. They are not ten cup of boiling milk, boil it and flavor shot. That discharge picks living men off their feet and throws them into a swamp, a blackened, bloody mass. Up To take grease from marble floors or now, as the enemy are among the guns ! hearths, spread them with a mixture of There is a silence of ten strong soap lees, fuller's earth, and pipeclay pounded fine, and lay a hot iron on 3,000 muskets and a rush forward with the places till dry. Repeat if necessary, bayonets. For what! Neither on the CROCKERY, GLASSWARE, AND rubbing the mixture well into the stone. right nor left, nor in front of us is the To clean white marble, mix verdigris and living foe! There are corpses around us Dr. Price's Cream Baking Powder. powdered pumicestone with fresh-slaked which have been struck by three, four lime mixed with soap lees to a thick and even six bullets, and nowhere on paste. Tie it in a woollen bag, and rub this acre of ground is a wounded man! the spot with it, washing off with soap the wheels of the gun cannot move until and water, and going over till the spot is the blockade of dead is removed. Men out. A solution of vitriol will take off cannot pass from cassion to gun without fire and smoke stains, while cracks are climbing over rows of dead. Every gun easily mended by a cement of marble and wheel is smeared with blood; every dust, which any stone-cutter will furnish. foot of grass has its horrible stain. His-

EPPs's Cocoa.—Grateful and Comforting.

—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."

—Civil Service Gazette.—Sold only in Packets labelled "James Erps & Co., Homeopathic Chemists, London, Eng."—Also makers of Epps's Choeolate Essence for afternoon use.
