New Dress Goods!

We have just opened another shipment of **New Dress Materials** in all the leading shades, suitable for Fall and Winter wear. See Our **Costume Cloth** (all colors) at 35 cents a yard. It is extra good value.

WILLIAM FREW, Water Street.

Used on Over 300 Buildings

I consider that **SOLIGNUM** is all you claim it to be. We have treated over three hundred wooden buildings and miles of fencing, and in every case our customers have been pleased. It is not only a good preservative, but a very good disinfectant, and on this account is specially suitable for wooden buildings occupied by animals. The colour also improves the appearance.

(Signed), J. WILCOX.
