Address to Canon Colley.

Rev. Canon Colley,

Dear Sir,-We, the congregation of St. James' Church, Carbonear, having been made aware by you some time ago that you intended severing your connection with us by going to England and residing there for personal reasons for a year, and because of that thought it well to resign your incumbency here, beg to say that we look upon the severing the ties which have bound us so closely for the period of twenty-one years as a matter of very grave concern for us. Having been our Spiritual Shepherd and guide so long we have come to know you thoroughly and need we say that we have placed the utmost confidence in you in every respect, and we esteem you highly for what you have done deared yourself to us in ways which are of almost too great magnitude to be particularized here.

Not only have you guided our spiritual matters with such discretion that nothing seemed to have been left undone but you also have been the means through your zeal and earnestness of obtaining for us with some assistance that we may have given you almost a new parsonage and an entirely new hall-including an association room and school-which is deserving of very

We have had confidence in you for almost any emergency in connection with your duty that could arise and when request was made for a special sermon, address or lecture, we knew that when you had undertaken it the right person was in the right place.

We are fully aware too that being with us so long that you knew every member from he oldest to the youngest and when your presence was needed for prayer, comfort and consolation you, if possible, were always at th right time and at the right place.

It is no wonder then that when y come to realize all this that we feel your departure from us so keenly. Your esteemable wife too, Mrs

Colley, will we trust, share with you in the praise that we feel we must give as she also has worked for us in season and out of season in ways that we could scarcely expect having put herself oftentimes to great inconvenience for the sake of us and our

We therefore, dear sir, must ask you both to please accept our heartfelt gratitude for what you have done for us and we trust that wherever you may go and into whatever corner of the Lord's Vineyard you may be placed you will meet with unbounded success, and that God's blessing may rest on you and be with you carrying have had the pleasure of availing o you through your ministerial work always helping and assisting you to engage in it and with the same zeal and you have endeavoured to perform earnestness as you were wont to do unmistakable evidence of your energy it here.

To the Churchwardens and Members of St. James', Carbonear.

My dear Friends .- Thank you mos sincerely for your very kind address and thank you also, who have contributed to the purse. Your words and your gift, come I am sure, from very warm hearts.

I have, as you say, been with you for twenty-one years, and during that time it has been my utmost endeavour to serve everyone of you, to share your joys and sorrows, to minister to your necessities, and to seek not yours but you. I am, however, deeply conscious

"Cured the Piles, That I Know

It is not pleasant to think of the dreadful suffering caused by this wretched disease, but it is satisfactory to know that there is a cure, for all who will avail themselves of it, in r. Chase's Ointment.
Mr. Dan Stewart, Gabarouse Lake,

Mr. Dan Stewart, Gabarouse Laac, N.S., writes:—"For about two years I had itching piles. Last summer I was working in a lobster factory, but had to give up and go home because the suffering from piles was so great. I was two weeks in bed, and my doctor could help me very little. One I was two weeks in bed, and my doctor could help me very little. One night I suffered such agony that I did not know what to do. Next day I wrote for a sample of Dr. Chase's Ointment, and this did me so much good that I ordered a large box, and was entirely cured by its use. That was six months ago, and there has been no return of the trouble. Dr. Chase's Ointment is a sure cure for piles. That I know."
