#### Avoid Harsh Pills, **Doctors Condem Them**

Most Pills unfortunately are harsh and drastic; they cause inflammation and great discomfort. Rather like nature is the way a pill should act, mildly but effectively. Science has established nothing more satisfactory as a family pill than the old reliable pills of Dr. Hamilton's, which for forty years have had a premier place n America. Dr. Hamilton's Pills are very mild and can be effectively used by the aged, by children, and indeed by men and women of all ages. No stomach or bowel medicine is more every woman who has a tendency to reliable. No remedy for indigestion, freckle, must look carefully after her headache or biliousness is so effectcomplexion. In babyhood Frank lost the use of his right arm but, with a sturdy pluck, undaunted by the tremendous odds, he fitted himself as a telegraph operator, manipulating key and pencil with his left hand, and succeeded in making it do the work of two. It may be truly said of him that he died at duty's post, as he worked until Saturday evening to finish the month's work. But the task proved too great. The last mes sage was sent, the last O.K. given, and Frank was brought home, where in four days the quiet story was awaited him on the Great Aurora Line-was his. The funeral takes place on Saturday, when he will be member. Beside many friends, he leaves to mourn him a mother, one sister and four brothers—the eldes of whom, Allan, is with the First Newfoundland Regiment in Scotland -to all of whom deepest sympathy will go out in their hour of bereave
