Do You Perspire Freely? Many people are acutely sensitive to the odors arising from excessive perspiration, and yet under no circumstances is it wise to completely check perspiration for it is essential to health—many of the impurities of the body are gotten rid of by perspiration. O'MARA'S PERSPIRATION DEODORANT does not unduly check perspiration, but when properly applied it keeps the body comfortable and sweet—it counteracts body odors. Sec. a Jar. PETER O'MARA, The Druggist, 46-48 WATER ST. W.

A Serious Mistake. The man who thinks he can put away \$100 for a year for \$3 and then draw out his \$103 is making quite a mistake. Just listen to our argument. He may put in 10 ten-dollar bills and draw out the same. BUT—his money has NOT the same value. One year ago \$100 would have bought as much general dry goods as \$85 buys to-day; as much groceries as \$78 buys to-day; as much railway transportation as \$87 buys to-day, and so on for every article required, so that the man who earns \$100 a month now is no better off than he was at \$70 a year ago. How then can your \$100 next year have the same value as \$100 has now? The answer is—place your money where it will INCREASE itself, in addition to paying you INCREASED earnings, so that \$100 put away now will become worth \$120 and upward in a year from now. IT COSTS NOTHING TO LET US POINT THE WAY. J. J. LACEY & CO., Limited. Investment Specialists, City Chambers. (Over Royal Bank of Canada.)
