# Columbia

The first and last word in Grafonola perfection is "Columbia." Here's a fact impossible of contradiction, and we are proud to be the Newfoundland Agents of so world-famed a talking machine.

In all grades the "Columbia" ranks an easy first, but the new Cabinet Grafonolas are nothing short of remarkable. Their tone qualities capable of exquisite shading, their magnificent tone volume, capable of being subdued to a mere whisper of sound. In fine Mahogany their elegant design and beautiful workmanship place them beyond compare.

Columbia Cabinet Grafonolas in prices from \$165.00 to \$350.00 are always to be seen in our Showrooms. Let us show them to you.
