P. E. Island Man Says It's the Best He Has Ever Seen

Gains Ten Pounds, Feels Fine In The Mornings. Now—Tanlac Built Him Up.

"Tanlac has simply knocked my troubles winding and I have already gained ten pounds and feel better in every way than I have for a long time," said John D. Nicholson who lives in Glen Martin, Prince Edward Island, while in Kinley's drug store in Halifax a few days ago.

"After spending three years overseas with the Thirtieth Canadian Battalion, I returned home about a year ago," continued Mr. Nicholson, "and I have been bothered a great deal ever since with stomach trouble. Everything I ate would sour, then gas would form and would be perfectly miserable for hours at a time. Sometimes this gas would be so bad I could hardly draw a deep breath, and after going to bed at night I would have a smothering spell. It was just out of the question for me to get a good night's sleep. Then at times I would have the worst sort of cramping pains in the pit of my stomach. I was also bothered a great deal with constipation, and had to take a laxative of some kind nearly every day. I lost about twenty-five pounds in weight and got so weak and run-down that I just felt miserable all the time."

"Then I began to read and hear about Tanlac, and as it was strongly endorsed by so many good, responsible people, I decided to give it a trial. Well, sir, I have only taken three bottles of this medicine so far, and I have actually gotten in such fine condition that I do not feel like I was ever sick a day in my life. Why, I never had a better appetite in my life, and I can eat just anything I want without suffering the least bit afterwards. In fact, my stomach seems to be in perfect condition. I sleep as sound as anybody now, and get up every morning feeling fine and dandy. I have gotten completely rid of the constipation, and never have a sign of those awful cramping pains in my stomach any more. Tanlac is the best medicine I ever saw in my life, and believe anybody who suffers as I did will certainly be benefited by giving this medicine an honest trial."

Tanlac is sold in St. John's by M. Connors, under the personal direction of a special Tanlac Representative.

MISSING.

We were shown the 5650th bed in which Washington had slept. "But," we inquired, "where is the coal-bin in which he must have slept when his wife cleaned the house?" As it was not forthcoming, we were gravely inclined to doubt the antiquities.

HIS WONDER!

Soon after her first baby was born his wife went upstairs one evening

and found him standing by the side of the cradle and gazing earnestly at the child. She was touched by the sight, and tears filled her eyes. Her arms stole softly round his neck as she rubbed her cheek caressingly against his shoulder.

He started slightly at the touch. "Darling," he murmured dreamily, "it is incomprehensible to me how they can get up such a cradle as that for 5s. and 6d."

WHAT THEY'D SAY.

A miracle.—"What is a miracle?" asked the Sunday school teacher.

—Well, if the sun were to shine in the middle of the night what would you say it was?

—The moon.

—But if you were told that it was really the sun, what would you say it was?

—A lie!

—I don't tell lies, my boys. Now, suppose that I assured you that it was the sun, what would you say?

—That you wasn't sober.
