

Credit Valley Railway.
SYNOPSIS OF THE BY-LAW.
The by-law rejected by the County Council, on Saturday, embraced within the group of municipalities the same villages and townships as were in the former by-law, but the southerly portion of Pilkington, Nichol, and Erin were not included in the present group, namely:— In Pilkington, Lots 8 to 18, in Concessions 1 to 5 inclusive; in Nichol the whole of concessions 4 to 10 inclusive; and in Erin, Lots 1 to 10, in Concessions 1 to 5, with lots 1 to 5 in Concessions 7 to 11, inclusive. The by-law provides for the issue of debentures by the Warden, and the levying of rates upon the grouped territory at the rate of three mills and a fraction, for twenty years; also that the debentures shall be delivered by the Warden to trustees appointed in accordance with Sec. 28 of the C. V. R. Co's Act, upon the trustees executing an acknowledgment that they had received the same in trust for the County Council of Wellington as well as for the Company, and agreeing to pay out the proceeds on work done in constructing the Railway as follows:— From the junction point near Bellfontain, or the forks of the River Credit, and Elora or Salem, and between Alton and Orangeville, pro rata per mile over the whole mileage of the said line between the said respective points, on the certificates of the Chief Engineer to be given in the manner provided by the Act of Incorporation of the said Company. And no portion of the proceeds of the said debentures shall be paid out by the Trustees for or in respect of any other portion of the said Railway, or in any other purpose whatsoever." The by-law concludes with details of the voting machinery.

The Reason Why.
The reason why the magnificent Retail Grocery Establishments in the Alma Block and on Lower Wyndham Street, belonging to John A. Wood, are so very popular with the intelligent public:— Because the Goods are all of the best quality. Because the Prices are invariably the lowest. Because the Clerks are courteous and obliging. Because the Stock is the largest to select from. Because the goods are always clean. Because the Weights and Measures are always correct. Because, in fact, the proprietor understands his business, desires to please his customers, makes good use of his capital, and buys for cash in the best markets, and always deals liberally with those who honor his stores with their custom.— These and many other weighty reasons have contributed very largely to make the name of John A. Wood, as connected with the Grocery trade of Guelph, so well known, and his stores so very popular.

Iron in the Blood
PERUVIAN IRON SYRUP
MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protocarbonate of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the vitality of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and wicks, searching out and leaving nothing for disease to feed upon. This is the secret of the wonderful success of the remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
