THE DEMON, DYSPEPSIA.—In olden times it was a popular belief that demons moved invisibly through the ambient air, seeking to enter into men and trouble them. At the present day the demon dyspepsia is at large in the same way, seeking habitation in those who by careless or unwise living invite him. And once he enters a man it is difficult to dislodge him. He that fluds himself so possessed should know that a valiant fight to do battle for himself with the unseen foe is Parmelee's Vegetable Pills, which are ever ready for battle.

CROUP QUICKLY CURED.

Don't Let the Child's Croup or Death While Waiting for the Doctor.

Hyomei, the miraculous, antiseptic dry air treatment, will cure croup in either the first or second stages. Easily inhaled, even when the breathing is irregular, it reaches more promptly than any other remedy the terribly inflamed membrane of the windpipe. Its soothing balsams act immediately, the inflammation is allayed and the swelling reduced.

George H. King, of 22 Wellington Street, South, of Goddard, says: "We would not think of keeping house without Hyomei. It has warded off colds, croup, coughs and sore throats for all of our three children many and many a time. When a child breathes badly and through the mouth and the glands around the eyes and nose commence to swell, then is the time that we find the Hyomei quickly relieves the trouble and gets the bronchial tubes, lungs and throat cleared up."

Hyomei (pronounced High-o-me) is guaranteed by J. A. Scott to cure catarrh, coughs, colds, asthma, bronchitis and croup, or money back. A complete outfit, including a neat hard rubber pocket inhaler, costs only \$1.00. An extra bottle of Hyomei, if afterwards needed, costs but 50 cents.

A Woman's Sympathy

Are you discouraged? Is your doctor's bill a heavy financial load? Is your pain a heavy physical burden? Do you know what these mean to delicate women—I have been discouraged, too; but learned how to cure myself. I want to relieve your burdens. Why not end the pain and stop the doctor's bill? I can do this for you and will if you will.

All you need do is to write me for a free box of the remedy which has been placed in my hands to be given away. Perhaps this one box will cure you—it has done so for others. If so, I shall be happy and you will be cured for 2c (the cost of a postage stamp). Your letters held confidential. Write to-day for my free treatment. MRS. F. E. CURRIE, Windsor, Ont.

A MAGIC PILL.—Dyspepsia is a foe with which men are constantly grappling but cannot exterminate. Subdued, and to all appearances vanquished in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument in which even a breath of air will make a variation. With such persons disorders of the stomach ensue from the most trivial causes and cause much suffering. To the "Parsellee" Vegetable Pills are recommended as mild and sure.
