Collegiate Principal Is Well Pleased With New Registration Scheme.

#### PARENTS RESPOND

"We are highly-pleased with the we are nighty-pleased with the success of the registration plan so far," declared Principal E. A. Miller of the Central Collegiate Institute today. "The registration of present students in collegiate classes has come well up to approach and come well up to expectations, and that of Grade 8 pupils of the public schools has shown favorable re-

At the Central Collegiate, 90 per cent of the enrollment has been signed, and intentions for next year registered, Co-operation has been well nigh perfect. At the Technical High School and the South and East

Collegiates good success is reported.

Principal H. B. Beal and the Collegiate principals in East and South London report that parents of Grade 8 pupils in public schools are showing a favorable response. Half of the parents in the Central Collegiate have registered their children.

parents in the Central Collegiate have registered their children.
Parents are registering their children without knowing their success in the year's studies. Students who will pass on efficiency in the year's work have not yet been notified by their success. Therefore, it is urgent that all register as early as possible.
The registration, slow to "take" with the public during the first week, has shown fruitfulness during the nast few days Its success is assured. fices of principals at the Technical High School and the Collegiate In-stitutes will be open on Monday. Tuesday and Thursday evenings of

No Final Decision.

Vice-President Schmidt of St. Cathrines, who had the competition in harge, reported that the judges had seen unable to arrive at a final decibeen unable to arrive at a final decision as to the winners of the competition, though they had all forwarded to him their oningers at the differtition, though they had all forwarded to him their opinions as to the different ent entries. A committee, consisting of William Hunter, Jun., London; F. Preece, Ottawa, and J. McMaster. Toronto, was then appointed by the president, to complete the judging of the competition, and report immediately.

A resolution was adopted with but very little comment asking the expectation of the comment asking the expectation of the comment asking the expectation in London.

The ne wdepartment will be located in the rom formerly used by the British and foreign mails department and the Dead Letter office. Both these offices have ceased to function now and the space will take care of the mail bags.

Beginning a month ago, all parcel to the partment has created a bag deposition.

A resolution was adopted with but very little comment asking the executive council of the L. T. U. to use its best efforts to increase the old age pension by one-half per cent, since the present rate of pension, \$8 per week, is inadequate to meet the high cost of living.

The resolution that the conference again bring to the attention of the executive of the L. T. U. the absolute necessity of the appointment of an organizer for the Province of Quebec was also passed unanimously without comment.

A resolution was adopted with but take care of the mail bags.

Beginning a month ago, all parcel post and newspaper matter addressed directly to Great Britain and other countries via Great Britain, was dispatched directly to Montreal, only first-class matter being despatched directly to exchange officer. This stopped European mails from coming into the Carling block department, and left the room free for a bag depository.

LIVERY STABLE DESTROYED RY FIRE IN TERSIMATED

was also passed unanimously without comment.

The following resolution, also proposed by the Montreal Union was adopted: "Whereas an order was sent out by the executive council that members who were on the strike roll and who worked two or three months could not be returned to the strike roll, maintaining that such a period of working was sustaining employment; and whereas this is working a great hardship on a number of members who answered the strike call; be it resolved that the executive council be asked to reconsider this order and leave this matter in the hands of the respective strike committees

BY FIRE IN TEESWATER

Special to The Advertiser.

Teeswater, June 12.—Fire of unknown origin at 2 a.m. destroyed a livery stable on Clinton street. The fire department was soon on the scene, but could do little other than save the adjoining buildings. The livery was a frame building, and all contents, including two horses, were destroyed.

The Grand Union Hotel was badly damaged on the north side. Falling sparks ignited other buildings, but no further damage was done.

The livery was insured for \$500.

# CANADA'S POLICY AGAIN APPROVED

Manchester Guardian Believes Dominion Has Right To Control Own Destiny.

VITAL PROBLEM

Associated Press Despatch.
London, June 13.—"There are some mad or vicious persons in England—the most notorious one is in jail, but a few others are at large-who would

tional law and custom. Canada, with a frontier impossible to guard, would be at war with the United States

too, though almost every interest she has is staked of her friendship with her neighbor.
"No doubt Canada has no fear of our losing our heads so wildly as that, but there are other possibilities Canada's Attitude.

"Canada's Attitude.
"Canada's recent action does not mean that if we had to go to war in the discharge of some obligation of honor under the Lausanne treaty. she would not help in the field. She FOR RUINED TROUSERS A claim may be had against the for New Zealand in London, at city by a journalist of a local paper dinner here this week, that he appropriately for damages to a suit of clothes susained at a recent meeting of the suggestion that the representation tained at a recent meeting of the the dominions at the imperial confinance committee and due as he ference should be by the whole pubsays, to the state of dissolution of lic opinion and not merely by mem bers of the governments, which the city hall property.

He appeared in the city hall in a perfectly good suit of blue serge and took his place among the chosen for the inaugural session. As the meeting progressed and the temperature rose, he forgot the kind of chair in which he was sitting, and in the excitement of looking over the city.

Ilic opinion and not merely by members of the governments, which might have short lives, the Guardian asks: "After all what well-known dominion statesman is that who is not a party man, and which of them would be much better if he purged himself of his party convictions?" Would Not Be Solution.

The Guardian concludes that so

## Union Bill Costs WillBeRefunded
