"I HONESTLY BELIEVE

The Greatest Cure For Rheumatism In The World"

'FRUIT-A-TIVES'

"For many years, I suffered from severe Rheumatism, and the attacks were very distressing and prevented me from doing my ordinary work. I tried many remedies and physicians' treatments, but nothing seemed to do me much good, and I was becoming very anxious for fear I would become a permanent cripple from the disease.

I tried "Prist-a-tives" and this medicine has entirely cured me and I honestly believe it is the greatest Rheumatism cure in the world."

E. E. MILLS.

Such a statement could not be bought from a man like Mr. Mills. He thinks too much of his good name, to sell it or sign it to an untruth. Mr. Mills tried "Fruit-a-tives" aker all other treatment failed—and "Fruit-a-tives" cured him of Rhemmatism. In the goodness of his heart, he wrote the above letter in order that sufferers in all parts of Canada would know that there is one remedy that actually does oure Rheumatism. This testimonial was entirely unsolicited on our part. Wedid not know that Mr Mills was taking "Fruit-a-tives" until we received the aboved letter.

actually does our exheumatism. This testimonial was enturely unsoluted on our part. We'dli not know that Mr Mills was taking "Fruit-a-tives" until we received the above-letter.

It is a case like Mr. Mills' that proves the marvellous powers of "Fruit-a-tives" in arresting and curing disease. It may be stated, without fear of contradiction, that "Fruit-a-tives" will positively cure Rheumatism when properly used. "Fruit-a-tives" is the only medicine in the world made of fruit juices and is the greatest Rheumatism cure known to modern science.

KEEP YOUR MUSCLES LIMBER

Athletes owe their prowess not so much to natural bodily superiority, as to the systematic conservation of Nature's gitts, particularly by means of regular rubbing with a good linimeat. We are not all athletes, but in any walk of life, if we keep our muscles limber, the walking will be nuch easier.

Father Morriscy, the priest whose medical skill was known from ocean to ocean, was especially successful in compounding a liniment of superior merit. It is unequalled for rubbing the messeles. It rubs in quickly and theroughly, scarcely a trace of it staying on the skin. And it certainly drives out the stiffness from the joints.

Father Morriscy's Liniment has repeatedly cured and healed cuts, bruises, burns, frostbites, chapped hands, chillblains, strains and strains, sore muscles, backacke, toothacke, earache, and similar affections. In connection with No. 7; it is valuable in rheumatism, while it is a helpful adjunct to the Lung Tonic in sore throats and chest colds.

This well-tested and reliable Liniment is mild and smooth to the skin and does not bilister. It is clean and has a whole-some, agreeable odor, unlike other preparations.

In every family medicine obest, there should be a borde of Eather Morrisey's
