Leslie Knaggs Is Saved From Death In Detroit River.

Special to The Free Press. DETROIT, Jan. 2.-Leslie Knaggs, 325 Queen's avenue, London, Ont., was saved from death in the Detroit River to-night when a motor boat in which he was riding was crushed by ice and sank. His two companions, George H. Willmer and Michael Blatmer, both of

Detroit. were drowned. Knaggs was the only one to fasten life-preserver about his body. His cries attracted the attention of sailors on the naval reserve training ship Dubuque, who tried to put out in small boats, but could not because of the ice. They then called the fire tug. He was found after a half an hour's search when a lucky beam from the He was suffering from exosure and terribly cut by ice. Willmer, the owner of the boat, was taking a motor boat engine to Windsor to be repaired and asked him and Blat-

to make the trip, Knaggs said. CANADIAN NATIONAL RAILWAYS; CHANGE OF TIME JANUARY 6TH. Train No. 16, now due to leave London at 7.00 p. m. for Toronto, Ottawa and Montreal, will, commencing on the above date, leave London 7.30 p. m., arriving Toronto at 10.30 instead of 9.59, and Mantreal and Ottawa same time as at present 7.30 a. m. and 7.45 a. m., thus reducing the time between London, Montreal and Ottawa by 30 minutes.

CONFEDERATION LIFE **ASSOCIATION**

Extend to Policyholders and the Public

The Compliments of the Season

During the year just passed real progress has been made in all departments of the Association's business. New insurance written was over Five Million Dollars

more than in 1922, an increase of approximately 20%.

Full Annual Report and Financial Statement will shortly be issued. Due to the many new and more liberal benefits that have been introduced the Association is to-day performing a Greater Service to the Public than ever before.

Double Indemnity; Total and Permanent Disability; Insurance without Medical Examination; Guaranteed Monthly Income Insurance; are among the many benefits that may be secured by policies in the Confederation Life Association.
