WEDNESDAY, SEPT. 19, 1906.

The Tariff.

The Canadian tariff commissioners have framed a new tariff bill and will have it ready for presentation when parliament meets in Ottawa, Nov. 15. The idea is to have a maximum tariff to apply to those countries whose tariffs are hostile to Canada such as the United States and Germany, a minimum general tariff to apply to countries which are disposed to trade with this country on fair terms, and a preferential tariff for Great Britain and such of the colonies to which it may be deemed expedient to extend the benefits of the preferential.

Canada's trade returns for the past year show increase of imports only from the United States of \$14,000,000 and from Great Britain \$5,700,000. The total imports from the United States during were \$180,729,458, while those from Great Britain were \$60,296,751. The excess in the American over British goods imported by Canada is also greater on the duty free goods or, in other words, raw materials for manufacture, of which the United States sold to Canada about \$3 worth to Great Britain's \$1 worth. The fact that the Imperial government has sent a special commissioner to Canada to look into this subject is taken as an indication that the British is awakening to the importance of the Canadian market.

Several of our young men have gone to Aldershot.

Lane Back

This is an ailment for which Chamberlain's Pain Balm has proven especially valuable. In almost every instance it affords prompt and permanent relief. Mr. Luke LaGrange of Orange, Mich., says of it: "After using a plaster and other remedies for three weeks for a bad lame back, I purchased a bottle of Chamberlain's Pain Balm, and two applications effected a cure." For sale by W. A. Warren, Pharm. B.

Pandora Range

SAVES FUEL AND HELPS TO PAY FOR ITSELF.

It is not the price you pay for a range which makes it cheap or expensive, but the fuel it consumes after you get it.

If you buy a range which costs \$5 to \$7 less than a "Pandora" and it burns a ton, or only half a ton of coal more in a year, what do you gain? Nothing, but you actually lose money, besides putting up with all the inconveniences, troubles and extra work which are a certainty with a poor range.

The "Pandora" is equipped with many fuel-saving features which are not found on any other range. Hot-air flues are constructed so that all the heat from the fire-box travels directly under every pot-hole and around the oven twice—every atom of heat is used, and only the smoke goes up the chimney.

Sold by all enterprising dealers. Booklet free.

They are PURE wool—wear as only wool can—and may be washed without injury.

Women in a great variety of beautiful patterns. Not expensive. Ask your dealer to show you his newest styles in HEWSON TWEEDS.

HYMENEAL

Healy—Elliott

A wedding of considerable interest to Lynn and Everett residents was solemnized at high noon on Wednesday Aug. 29th at the Congregational parsonage, 7 Orchard St., Everett when Mr. Holland Percival Healy, of 35 Orchard St., Lynn, and Miss Beatrice Amelia Elliott, of 17 Liberty Street, Everett, were quietly married by the Rev. W. J. Sweet.

The ring service was used, and the ceremony was witnessed by the sister of the groom, and two sisters of the bride.

The bride was dressed in grey travelling outfit with hat to match and carried bride roses.

Mr. and Mrs. Healy left after the ceremony for New Hanover where they spent their honeymoon on the shores of Lake Umbagog. On their return they were given a reception by Mr. and Mrs. J. A. Healy, parents of the groom.

The residence of Mr. and Mrs. Joseph A. Healy, at 35 Orchard St., was the scene of a joyous gathering on Tuesday evening, the occasion being the wedding reception of their son, Holland P. Healy, and his wife, who were recently married in Everett.

The reception and dining rooms were artistically decorated with palms and other potted plants and there were fragrant bunches of cut flowers in profusion decorating tables and stands. The chandeliers were twined with evergreen and on the dining table there was a beautiful center piece. In one of the parlours a bay window was transformed into a bower of verdant beauty, tall stately palms and rubber plants being prettily arranged. In front of this background Mr. and Mrs. Healy received felicitations of about 60 of their relatives and friends between the hours of 8 and 10 o'clock. The ushers were Frank S. Pratt and Robert Buss of this city.

During the evening there was a general intermingling of the guests and piano music was furnished by Miss Mabel Healy, a wedding lunch prepared by a local caterer, was served during the hours of the reception and before the hour of departure the guests showered the happy couple with confetti and wishes for their future happiness and prosperity.

In the back parlour was displayed an endless variety of valuable gifts, including cut glass, silverware, china furniture, etc., and one or two gifts of money. This room was presided over by Mrs. J. A. Healy, mother of the groom. The guest book, in which all present were requested to register was in charge of Miss Mabel Healy. Guests were present from Lynn, Framingham, Everett and Boston.

Mr. and Mrs. Healy were married two weeks ago in Everett, where the bride belongs, and next week the couple will leave Lynn for Oakland, Cal., where they are to make their home and Mr. Healy enter into business.

McCurdy—Elliott.

The residence of Mr. and Mrs. Leander S. Elliott of Clarence was the scene of a very pretty event on Tuesday morning Sept. 11th at half past eight, when their youngest daughter Etta May, was united in marriage to Edgar H. McCurdy, of Bowdoin, Maine.

The ceremony was performed by the Rev. H. H. Saunders pastor of the church assisted by the Rev. Solon R. McCurdy brother of the groom, and the Rev. R. B. Kinley of Port Lorne.

The home was tastefully decorated with cut flowers and plants, a den and erected in the corner of the parlour, with the letters E. and M. neatly worked in the back ground. Mendelssohn's wedding march was rendered by Mabel Elliott, cousin of the bride. The bride entered the room leaning on the arm of her father, and looked charming in a costume of white chiffon mesaline silk with lace trimmings, veil, orange blossoms, and a shower bouquet of cream roses and valley streamers.

The bride was attended by Miss Laura Kinney of Yarmouth, classmate of Acadia, dressed in pale blue silk, and carried pale carnations. Grace Elliott niece of the bride was little flower girl and Bell Marshall ring bearer, carrying the ring on a silver tray. The groom was supported by his brother George L. McCurdy of Waterville, Maine, Malcolm R. Elliott served in the capacity of master of ceremonies. The brides travelling gown was of very deep purple broadcloth with trimmings of apple green and hat to match.

The presents received were costly and numerous, testifying to the high esteem in which the happy couple are held by their many friends. Among the very large collection of wedding gifts was a Burmese teak peacock table, hand carved in Burma, the gift of Rev. and Mrs. Seldon B. McCurdy and family. Also a beautiful set of Isabella furs, from the father and mother of the bride. The groom's gift to the bride was an elegant gold lined silver tea service.

At the conclusion of the ceremony a very beautiful and daintily served breakfast was given, and the happy couple amid showers of rice flowers and the best wishes of many friends were driven by Mr. Anderson, in one of his fine turnouts with milk white horses, to Bridgetown
