

IMPORTED QUEENS BY MAIL

—DIRECT—

FROM ASIA AND FROM EUROPE.

Cyprians, Syrians, Carnioans, Italians
AND PALESTINES,

ALL REARED IN THEIR NATIVE LANDS.

Imported Cyprians and Imported Syrians.

Grades and Prices of Queens:	before		July After	
	June 1	June	Aug	Sept. 1st.
Finest Selected Queens, each	\$12.00	10.00	9.00	\$8.00
Fine Prolific Queens, each...	10.00	9.00	8.00	7.00
Smaller & darker Queens each	8.00	6.00	5.00	4.00

Owning an apiary in Cyprus and another in Syria, I have facilities equalled by no other person for obtaining choice queens of these races. I shall visit these apiaries during the coming winter and return in early spring bringing with me a fine lot of queens. Those who desire Imported Cyprians, or Imported Syrians VERY EARLY can have them mailed direct from Cyprus or from Syria to their addresses during March, and on all queens so sent I will assume three-fourths of the risks, that is, will replace at one-fourth the regular price any that die in transit, provided the purchaser receives mail from New York City within five days time.

Imported Carniolans and Imported Italians.

Grades and Prices of Queens:	before		July After	
	June 1	June	Aug	Sept. 1st.
Finest Selected Queens, each	\$7.00	\$6.00	5.00	\$4.50
Fine Prolific Queens, each...	6.00	5.00	4.50	4.00

I have several times visited both Carniola and Italy, inspecting at each visit a large number of apiaries, and also have, for several years, kept side by side imported stocks of both of these races, and I unhesitatingly give the preference to the Carniolans. They are the gentlest bees known, equal the Italians in honey-gathering qualities and in point of beauty, and far excel them in prolificness and hardihood.

Cyprians and Syrians Fertilized in Carniola.

Prices two thirds those of Imported Cyprians and Imported Syrians.

All these queens are selected daughters of fine imported stocks, are reared in full colonies, and are fertilized in Carniola itself, where of course ONLY Carniolan bees exist. From these crosses bee-keepers may expect the best results which can be obtained through crossing any two distinct races.

Imported Palestine Queens.

(SO-CALLED "HOLY LANDS.")

Prices three-fourths those of Imported Cyprians and Imported Syrians.

Though Palestine bees possess some valuable qualities common to Cyprians and Syrians, still, on account of their very bad temper and poor wintering qualities I cannot recommend them for general introduction. To fanciers, however, who desire them, I will say I can furnish as fine imported queens as are to be had in Palestine.

During five years experience in bee-culture in the Orient, three of which were passed there, I have neither seen any foul brood or sign of foul-brood, nor have I ever heard of its existence there. None exists in this portion of Germany, and having examined the apiaries from which my Carniolans and Italians come, I can also testify as to their healthful condition.

Dear Sir—Of those 61 Falcon Chaff Hives I bought of you 58 had full colonies and nuclei, all have wintered finely; that speaks well for the hive and my mode of packing.
