

The Gerhard Heintzman

“The Piano for the Home”

IF in selecting the appointments of the home there is anything in particular that just adds the finishing touch it is the “Gerhard Heintzman” instrument.

Much has been said by satisfied owners regarding the distinctiveness of the “Gerhard Heintzman” in tone and in design, and after all it is the recommendations from these sources that carry weight, because they are the outcome of the actual experiences with instruments that have stood the test of time.
