EXTRACT FROM BY-LAWS.

5 (a) An Amateur is a person who never competed in an open competition; (b) or for a stake; (c) or for public money; (d) or for gate money; (e) or under a false name; (f) or with a professional for a prize; (g) or with a professional when gate money is charged.

6 The Association draws attention to the following explanation: A cyclist forfeits his right to compete as an amateur, and thereby becomes a professional, by engaging in cycling or any other recognized athletic exercise, or personally training or coaching any other person therein, either as a means of obtaining a livelihood or for a stated bet, money prize, or for gate money, competing with, pace-making for, or having the pace made by a professional in public or for a prize; selling, realizing upon, or otherwise turning into cash any prize won by him. This rule does not apply to teaching the elements of bicycling solely for the purpose of effecting the sale of a bicycle. The Association recognizes as athletic exercises all those sports under the jurisdiction of the Amateur Athletic Association of Canada, including running, walking, jumping, pole-leaping, putting the shot, throwing the hammer, throwing the weights, tug-of-war, and rowing, boxing, sparring, lacrosse, polo, roller and ice-skating and snow-shoeing.
