It was an 21, 4, 13, 17 question as to how old our 39, 9, 17, 1, 45, 6, 44, 36 was, but I put him down for about 43, 31, 40, 36, 37, 38. I asked him once if he was not near that age, and he replied "7, 20, 25, 16, 30." He was very 23, 28, 3, 12 and 45, 2, 32, 39, and when I first saw him he was knocking some 34, 10, 22, 9, 24 down upon the 8, 29, 15, 42, 41, 11, in a very 6, 33, 11, 26, 14, 25, 19, 41, 18, 27, 11 and awkward manner. "Are you sure he truly loves you?"
asked the fair girl's confidente.
"Absolutely."
"Of course he would say he does."

"Yes. But when he sits down and lets father talk to him by the hour about protection and 16 to 1, I'm sure he tells the truth."

How Mrs. Pinkbam HELPED MRS. GOODEN.

[LETTER TO MES. PINKEAM NO. 12,753]

"I am very grateful to you for your kindness and the interest you have taken in me, and truly believe your medicines and advice are worth more to a woman than all the doctors in the world. For years I had female troubles and did nothing for them. Of course I became no better and finally broke down entirely. My troubles began with inflammation and hemorrhages from the kidneys, then inflammation, congestion and falling of the womb and inflammation of ovaries.

"I underwent local treatment every day for some time; then after nearly two months the doctor gave me permission to g back to work. I went back, but in less than a week was compelled to give up and go to bed. On breaking down the second time. I decided to let doctors and their medicine alone and try your remedies. Before the first bottle was gone I felt the ef-ients of it. Three bottles of Lydis E. Pinkham's Vegetable Compourand a package of her Sanative Wash did me more good than all the doctors' treatments and medicine.

"The first remark that greets me now is 'How much better you look!' and you may be sure I never hesitate to tell the cause of my health."-Mrs. E. J. Gooden, Aceley, Ia.
