"mended" at the Toronto Exhibition, 1885.

Is quickly and easily attached to the heads of Cattle, Hogs, etc., and retained there by Steel Springs; a smart blow given it instantaneously and painlessly deprives the animal of sensibility.

The "Stunner" is the only instrument that can be attached to the head of Stock for slaughtering purposes. It enables the FARMER and PIG-KEEPER to kill his own Cattle and Hogs humanely, safely, speedily and quietly.

Humanitarians should use and advocate the use of the "Stunner."

An Old Soldier's EXPERIENCE.

Calvert, Texas, May 3, 1882.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try **AYER'S CHERRY PECTORAL**.

"I did so, and was rapidly cured. Since then I have kept the **PECTORAL** constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases."
J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of **AYER'S CHERRY PECTORAL**. Being very palatable, the youngest children take it readily.

PREPARED BY **Dr. J. C. Ayer & Co., Lowell, Mass.** Sold by all Druggists.

Scientific and Useful.

CARAMELS.—One cup of molasses, one cup of milk, not quite a half pound of chocolate, not sweet; two cups of sugar, piece of butter size of half an egg. Cook thirty minutes.

LINEN CAKE is a cake with chocolate and coconut mixed together and put between the layers. Prepare the chocolate after any of the well-known methods, and add the grated coconut to it.

FOR SICK HEADACHE AND SEA SICKNESS.—Take a teaspoonful of **Dr. J. C. Davis' Pain-Killer** in hot water, sweetened with loaf sugar, every hour till relieved.

COFFEE CAKE.—One cup of molasses, one-half cup of sugar, three cups of flour, one-half cup of butter, one cup of cold strong coffee, two cups of raisins, two eggs, one tablespoonful of saleratus; spice to suit the taste.

IT IS AN ESTABLISHED FACT, that Consumption can be cured; but it is far better to prevent the cruel disease from fastening itself on the system, by the timely use of a remedy like **Dr. Wills' Pinkettes of Wild Cherry**. This standard preparation will speedily cure a cough or cold, and even Consumption often yields to its great power.

GRILLED OYSTERS.—On a very fine wire grid iron (one made of wire net used for screens) place some slices of fat pork, cut as thin as possible; on each slice lay a good-sized oyster or two small ones; broil and serve hot with fried parsley.

CURED OF DEAFNESS.—Harry Ricardo, of Toronto, was deaf for eight years, and also suffered with Chronic Rheumatism. After all else failed, **Hagyard's Yellow Oil** cured both afflictions. **Yellow Oil** is a reliable internal and external remedy for all painful and inflammatory complaints.

FROSTING GLASS.—Take an ounce of Epsom salts and heat half a pint of beer; work the two well together and leave until cold. Dab this mixture over the glass in the same manner as oil paint, and let it dry, then put a second coating over the first.

ROBINSON'S PHOSPHORIZED EMULSION, by its stimulating action upon the organs of digestion and assimilation, and by its powerfully alterative tonic and nutritive properties, purifies the blood from all taint, and increases its solid constituents. Always ask for **ROBINSON'S PHOSPHORIZED EMULSION**, and be sure you get it.

MACCAROONS.—A pound of blanched almonds pounded fine in a mortar, white of four eggs whipped to a stiff froth, two and a half pounds of sifted loaf sugar; mix all well together, then add the whites of ten more eggs, beat all together until very light; drop with a spoon on stiff white paper and lay in a baking tin in a slow oven, after having dropped upon each a few small bits of sliced almonds.

MALARIA is the action of disease germs in bad air, poor drainage, swampy regions, etc., upon the system, producing chills, fever, neuralgia, and many dangerous diseases. **Burlock Blood Bitters** regulates the bowels, liver and blood, and wards off and cures Malaria.

BEST FOR A SPRAIN.—Professor Brinton says that the best thing for a sprain is to put the limb into a vessel of very hot water immediately, then add boiling water as it can be borne. Keep the part immersed for twenty minutes, or until the pain subsides; then apply a tight bandage and order rest. Sometimes the joint can be used in twelve hours. If necessary use a silicate of sodium dressing.

NO STRONGER WARRANTY can be given for the **merits** of a cough medicine than we offer. We say to all who wish to use **AYLEN'S LUNG BALM**, that unless it gives **entire satisfaction** they may return the bottle to us after they have used it forty-eight hours, and the money will be cheerfully refunded. This same warranty has been offered from the day we offered the **BALM** first for sale, and to this time the first bottle has not been returned, and we have received **nothing but praise in its favour** from those who have used it.

TOMATO SOUP.—An excellent tomato soup is made in this way. It is so simple, and requires so little skill in its preparation, that it will prove acceptable to many: One quart of stewed tomatoes, strained, so that no seeds remain; add a generous quart of boiling milk, put a piece of butter the size of an egg in the tureen, add two tablespoonfuls of rolled cracker, and salt and pepper to taste. Pour over this the boiling milk and add the strained tomatoes; mix thoroughly and quickly and serve.

One Experience of Many.

Having experienced a great deal of "Trouble!" from indigestion, so much so that I came near losing my life!

My trouble always came after eating any food—

However light And digestible,

For two or three hours at a time I had to go through the most Excruciating pains, "And the only way I ever got" "Relief!"

Was by throwing up all my stomach contained!! No one can conceive the pains that I had to go through, until "At last!"

I was taken! "So that for three weeks lay in bed and Could eat nothing!!!

My sufferings were so that I called two doctors to give me something that would stop the pain.

Their efforts were no good to me. At last I heard a good deal "About your Hop Bitters!" And determined to try them."

Got a bottle—in four hours I took the contents of One!!!

Next day I was out of bed, and have not been sick!

Hour, from the same cause, since. I have recommended it to hundreds of others. You have no such "Advocate as I am."

GEO. KENDALL, Allston, Boston, Mass.

Downright Cruelty.

To permit yourself and family to "Suffer!"

With sickness when it can be prevented and cured so easily With **Hop Bitters!!!**

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name.

CATARRH: A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the **Dixon** treatment for Catarrh. Out of 3,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure.

Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Neutral Star*
