Household Hints.

TO THE DEAF.—A person cured of Deafness and noise in the head of twenty years' standing by a simple remedy, will send a description of it FREE to any Person who applies to N. H. HOLLISON, 30 St. John Street, Montreal.

ROYAL GOFF, of Willsboro, N. Y., suffered two years from a hard cough, with severe pains in the side and chest, and raised large quantities of blood. Several physicians tried in vain to relieve him. Three bottles of WISTAR'S BALSAM OF WILD CHERRY cured him.

STRAWBERRY BLANC MANGE.—Stew nice ripe strawberries, strain off the juice and when it is to taste; place over the fire, and when it boils stir in corn starch wet in cold water, allowing two tablespoonfuls of corn starch for each pint of juice, stir constantly until sufficiently cooked, pour into moulds wet in cold water, and set away to cool; serve with cream and sugar, and fresh strawberries if desired. This makes a very pretty and delicious dessert.

One Cent Invested in a postal card on which to send your address to Hallett & Co., Portland, Maine, will by return mail, bring you free, particulars about work that both sexes, of all ages, can do, and live at home, wherever they are located, earning thereby from \$5 to \$25 per day, and upwards. Some have earned over \$50 in a single day. Capital not required; you are started free.

GELATINE CRAM.—Pour a pint of cold water on a box of gelatine, and let it stand until dissolved. Then pour on three pints of boiling water, one and a half cups of sugar, and the juice of three lemons. Add a can of grated pineapple, stirring into the gelatine as it begins to congeal. Place in a large glass bowl, and pour over it a pint of whipped cream. This is a lovely dessert or the table, and delightful to eat.

TO MAKE A RUMP STEAK TENDER.—Any piece of beef from the round may be prepared so as to cook as tender as the most delicate sirloin if care be taken with it. The Italian prepare tough beef by basing it with oil, so spread your steak with sweet oil, instead of basing it to bruise the fibres, which lets the juices run out into the fire. Let it remain an hour or so in the oil before cooking. Broil quickly, so that each side will be thoroughly charred, and then prop up your gridiron so as to be a little further from the fire, for the slow heating through, that cooks the inside juices without losing them. Melt a bit of butter in two tablespoonfuls of vinegar and pour it over the steak while hot. SUMMER TOURS.

Prof. W. HAUSENER, the famous musician of Itasca, N. Y., writes: 'Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me 75 incurable, and said I must die. My case was such a bad one that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sago's Catarrh Remedy, in three months, I was cured, and the cure has been permanent.'

'Constantly Hawking and Spitting.'

THOMAS J. RUSHING, Esq., 422 1/2 Pine St., St. Louis, Mo., writes: 'I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Finally, I was advised to try Dr. Sago's Catarrh Remedy, and I am now a well man. Had it to be the only sure remedy for catarrh manufactured, and one has only to give it a fair trial to experience astounding results in a permanent cure.'
