Pearline

Washing Compound

by Expositions, State and County Fairs throughout this land, is the one great laurel it wears—Success

Many millions of packages are required every year to supply the demand created by intelligence. Give PEARLINE a fair trial—you don't

have to be over-bright to see that it saves time and labor,

and wear and tear of both body and clothes. It takes the drudgery out of washing and cleaning—does this work better than anything known, and what is perfectly harmless. Every grocer sells PEARLINE. Beware of the many imitations which are pushed on the public by prizes and peddling—they're dangerous. JAMES PYLE, New York.

BUTCHER'S ANTISEPTIC INHALER AND INHALATIONS.

An Unrivalled Remedy for the Treatment and Actual Cure of Catarrh, Catarrhal Deafness, Hay Fever, Asthma, Bronchitis, Relaxed Throat, Hoarseness, Difficult and Fetid Expectoration.

Endorsed by the leading Physicians of Canada and the United States.

Dr. E. H. Trenholm, of Montreal says: "I have used the Inhaler in very many cases and with uniform success, and believe it the best yet invented for diseases of the Nose and Throat."

Dr. Barnaby, of Bridgetown, in a letter to the Company, says: "In my opinion it is just what is required in this Province in the treatment of Catarrh, Asthma, Bronchitis and Consumption, in fact, in all diseases of the respiratory organs. The principle involved is sound, and this system of treatment is bound to come into universal use in the near future."

Dr. Fitzhenry Campbell, ex Surgeon to the British Army, says: "I feel confident the Inhaler possesses the true principle by which medication can be carried directly to a diseased membrane of the respiratory tract."
