The late Prof. Basil Manley, of the South Baptist Theo. Seminary, Louisville, Ky., says of Aerial Medication: "I can cordially recommend its use." Write for a fac-simile of his letter.

A Teacher's Experience.

While teaching a country school twelve years ago, I took Catarrh in its worst form, which almost made a physical wreck of me. In '92 I had LaGrippe, was followed by a very bad cough, free expectation, loss of weight and strength. My physician advised change of climate. This I was not able to do, but used Aerial Medication; to the surprise of friends, it cured me, and for three years have had the good health that belonged to me twelve years ago.

RICHARD OSHORN, Brazil, Ind.

I took Catarrh in 1862. Grew worse for over thirty years, suffered untold misery with headaches, attacks would come on every two or three weeks and last about three days, then the gathering would break and run bloody matter; green scabs would form; hearing and memory become very much impaired. Since using Aerial Medication four months in 1892, am entirely free from all Catarrhal affection; hearing and memory restored, throat and intense headaches entirely cured.

J. C. CARRITHERS, Riverton, Ala.

Medicine for 3 Months' Treatment Free.

To introduce this treatment and prove beyond doubt that Aerial Medication will cure Deafness, Catarrh, Throat and Lung Diseases, I will, for a short time, send Medicines for three months' treatment free. Address,

J. H. Moore, M.D., Dept. B. I., Cincinnati, O.

A Few Years Ago

There were no "Full Iron Frame" Pianos manufactured in Canada. D. W. Karn & Co. was the first to adopt this magnificent improvement. Other companies scoffed at the idea, but experience has proved the wisdom of the innovation, and time has turned the tables on the scoffers, for now all makers with any reasonable claim to merit have accepted the principle and are following the example set by Karn. Full Iron Frame Pianos have come to stay. When you purchase give your preference to the pioneer. Karn is King

At Jal Angom, West Africa, October 12th, 1896, of fever, Rev. Arthur Wodehouse Marling, M.A., of the American Presbyterian mission, in the 42nd year of his age.

PRESBYTERY MEETING.

GUELPH: This Presbytery met in Chalmers Church, Guelph, on the 15th September, the Rev. W. Robertson, M.A., Moderator. The attendance of members was large. Mr. Mullan reported from the Committee on Missionary Meetings and Sermons, recommending an exchange of pulpits on the last Sabbath of October, or as near that date as possible, and that sermons be preached on liberality for missionary objects, but stating that they were not prepared to recommend any one plan for raising funds for the schemes of the Church. The report, with the exchange of pulpits as proposed, was approved. He also reported from the Committee on Evangelistic Services, suggesting that in view of the proposed exchange of pulpits and missionary sermons and of the fact that a series of meetings was held last year under the authority of the Presbytery, the whole matter be left this year in the hands of Sessions, and that reports of what they have done be given in at the meeting in March. The suggestion was approved. A report was handed in by Mr. David Strachan, convener of the Committee on Young People's Societies, showing that the convention for which arrangements had been made, had been held, and containing a number of resolutions, which were read and adopted by the Presbytery. The committee, with the addition of the ministers residing in Guelph, was instructed to carry out the suggestions of these resolutions. Mr. McNair, of Waterloo, was appointed to bring the claims of Manitoba College before the congregations in the bounds. Dr. Torrance, convener, Mr. Smith and Mr. J. A. McCrea were appointed a committee to consider the remits from the General Assembly, requiring the attention of the Presbyteries, and report. A memorial to the Minister of Justice on the Dominion Reformatory for Young Men, was considered, and the clerk was authorized to sign the same and forward it.

A well-known business man of St. John, N.B., writes: "In 1881 I took out a fifteen-year endowment policy for \$5,000 in your company, The North American Life, for the benefit of my family, and now that the policy has matured it is very gratifying to find that the total cash value is \$8,300.28, being a cash surplus of \$3,300.28 in addition to the face of the policy, and have had protection of \$5,000 life insurance for fifteen years in addition.

"Considering the ample security afforded to those who insure their lives in a company like yours, maintaining the reserve in accordance with the requirements of the Dominion Government, there are few investments to-day that can equal an endowment policy in the North American Life."

The North American Life Assurance Company is one of the leading Canadian companies, and has an unexcelled reputation for the promptness with which it has paid its death losses. Its financial standing is clearly indicated by the fact that its ratio of assets to liabilities exceeds that of any other home company, and therefore in the matter of net surplus to liabilities it leads all its competitors. The annual report, also pamphlets explanatory of its investment, plans and particulars of results paid under its matured investment policies, can be obtained from any of the company's agents throughout the Dominion, or by application to the head office, Toronto.

Educational.
