BOOK REVIEW.

Thirty-ninth Annual Report of the Entomological Society of Ontario: Ontario Department of Agriculture, Toronto. This is a volume of 152 printed pages, with 19 excellent plates. Like all its worthy predecessors, it is a publication which can be perused with interest, not only by the scientific and working entomologist, but equally by the novice and merely casual reader. It contains the official report of the proceedings of the annual meeting of the Society, held at Guelph in November last, including the reports of the Branch Societies, and of the District Directors and other officers, the discussions on insect pests of the
