DRAUGHTS-CHECKERS

We have to announce the departure from this city for Liverpool in the S. S. *Nova Scotian* of Sergt. Muir, who has sojourned here for some months in the hope of benefiting his health. He gained many friends while here by his quiet, unassuming manner and genial disposition. The game which we give below was played on the eve of his departure between him and Mr. A. J. Grant of Halifax, and may be termed his farewell game in Nova Scotia.

Messrs. Brown Bros. & Co.
Being very much reduced by sickness and almost given up for a dead man, I commenced taking your PUTTNER'S EMULSION. After taking it a very short time my health began to improve, and the longer I used it the better my health became. After being laid aside for nearly a year, I last summer performed the hardest summer's work I ever did, having often to go with only one meal a day. I attribute the saving of my life to PUTTNER'S EMULSION.
