YOUNGER'S COUNTING HOUSE GUIDE - - 75cts.

Henry M. Stanley,

perhaps the foremost living man in pluck, endurance and achievement, has just completed successfully his last and greatest undertaking, the rescue of Emin. The story of his adventures and discoveries, "In Darkest Africa," will be published shortly by Messrs. Charles Scribner's Sons. It will be a thrilling and instructive narrative. Stanley is entitled to the fruit of his labors, and this the Anglo-Saxon sense of justice will secure to him by purchasing

"In Darkest Africa"

the only book in which he will have a personal interest. Intelligent and well-meaning people will not buy the bogus "Stanley books" offered under false and misleading representations, to no one of which has Stanley contributed a line. They will wait for the only authentic book on this subject, written by Stanley himself, and in buying it they will put into his pocket a share of the proceeds of its sale. "In Darkest Africa" will be in two octavo volumes, replete with maps and amply illustrated from Mr. Stanley's own photographs and sketches. Price \$3.75 per volume in cloth. Sold only by subscription. Look on the title page for the imprint of
