

of the Niagara Falls Hydraulic Power and Manufacturing Co., and were conducted over it by the chief electrician who fully explained all the wonderful appliances.

In addition to the many other provisions for the entertainment of their visitors the Committee on Arrangements provided tally-ho coaches which made tours on Tuesday afternoon and Wednesday morning and afternoon leaving from the Library building; members were also invited to enjoy bird's-eye views of the city from the roof of the Guarantee Building, Church Street, the tallest building in Buffalo; and to visit the collections of the Society of the Natural Sciences, Historical Society, and the Gallery of Fine Arts, in the Library Building in which the meetings were held.

Very handsome badges were prepared for the members and officers by the local committee. For members the badges were of bronze and for officers, of gold. A buffalo formed the pin from which depended by a ribbon a triangular pendant, bearing the name of the association, the date, and the name of the convention city. The ribbon for officers was yellow, that of members, red.

A most interesting exhibition of electrical apparatus for diagnostic, therapeutic and radiographic purposes was held in the room adjoining the meeting hall, and was a very popular feature of the meeting.

The eighth annual meeting was universally conceded the most successful and enjoyable that has ever been held, and the prospects for the association were never brighter or more encouraging. Arrangements are already in progress for the Washington meeting.
