McGILL MEDICAL GRADUATES.

Students from many parts of the continent shared the honors in the Faculty of Medicine at McGill University last session, according to results announced for all five years of the course.

The highest prize, the Holmes gold medal for the best aggregate in all subjects during the course, was won by R. C. Royce of Woodstock, Ont., and the first prize for the highest aggregation standing in fifth or final year subjects by L. C. Pearce of Brantford.

A. L. Jones of Victoria, B. C., secured the Wood gold medal for the
