will do it.

REMOVES Tan, Pimples, Freckles, Moth-Patches, Rash and Skin diseases, and every blemish on beauty, and defies detection. On its virtues it has stood the test of 53 years; no other has, and is so harmless we taste it to be sure it is properly made. Accept no counterfeit of similar name. The distinguished Dr. L. A. Sayer said to a lady of the *hauton* (a patient):—"As young ladies will use them, I recommend 'Gouraud's Cream,' as the least harmful of all the Skin preparations."

One bottle will last six months, using it every day.

Also Poudre Subtile removes Superfluous hair without injury to the skin.

FAT

How to reduce it
Mr. Hugo Horn, 344 E. 65th St., New York City, writes:
"It reduced my weight 40 lbs. three years ago, and I have not gained an ounce since." Purely vegetable, and harmless as water. Any one can make it at home at little expense. No starving. No disease. We will mail a box of it and full particulars in a plain sealed package for 4 cents for postage, etc.

Dyeing! Dyeing! Dyeing!

A good proverb to remember is "When a curtain or a drape looks shabby don't buy a new one and throw the old away." Send it here to be dyed or cleaned. Hundreds are doing this every year and save a large per cent. of the expenses which accumulate in keeping house.
